

# Inyo-Mono Civil Air Patrol Will Be Activated in Bishop About June 25

An Inyo-Mono Civil Air Patrol squadron will be activated about June 25.

That was the announcement made this week after key Inyo-Mono flyers and other interested men met with officials of the California Wing of the CAP in a meeting at the Bishop Airport Friday evening.

Col. J. Reed Capps, deputy commander of the California Wing of CAP, and Major Eugene Mueller of the Air Force liaison officer of the CAP and the armed forces, flew to Bishop Friday night and discussed the formation of a squadron with the local men.

Colonel Capps assured those present that the California Wing would be very pleased to have an Inyo-Mono CAP squadron here and that he and other California officials would cooperate in every way possible.

He suggested June 25 as a good date to activate the squadron and promised the local flyers that the California Wing would supply a plane for their use at least for the first 60 days. It was pointed out that if the local CAP squadron could show use of the plane for 20 hours each month, or more, they would probably be allowed to keep it at the Bishop Airport on a permanent basis. He also suggested that a Link trainer might also be allotted to this area.

Colonel Capps also explained the cadet program whereby high school students between the ages of 15 and 18 could take a course in aviation and then, after its completion, could enter the cadet program of the Air Force without completing two years of college work as is usually required.

Meanwhile, local flyers and others interested in the CAP were making organization plans—filling out forms, getting "mug" pictures, fingerprints etc., this week.

Officers of the new group will be announced in the near future. In the meantime, more people interested in the Civil Air Patrol are urged to join up. Anyone willing to join and work in the group, whether a flyer or not, is urged to contact Steve Lukacik or Dr. Carl Muth in Bishop as soon as possible. A special call for experienced skiers who might be available for winter rescue work was issued by Lukacik this week.

## County Funds Aid Memorial Building Project

Another step in the establishment of the Mono County Memorial building was taken Monday when the Mono board of supervisors approved the transfer of \$10,000 towards the project. The sum matches \$10,000 put up by Cecil Burkham of Reno, former Bodie resident and Mono stage driver, who has made the philanthropic gesture for the establishment of the county-seat memorial.

Supervisor Walter Cain of Bridgeport told the board that Bridgeport merchants had donated proceeds from their Memorial Day business and that as soon as tabulations have been completed, another considerable donation would be available for the fund. Civic groups and lodges of the area are also subscribing funds, and proceeds from the annual July 4th celebration in Bridgeport will be added to the project.

Confirmation was received from Alpine county board of supervisors on the proposed Alpine-Mono celebration when the Coleville-Mammoth celebration is completed sometime late next fall. The Mono board had extended the invitation for the joint dedication. It is expected that the two boards will work out the details.

It was announced that bids will be opened Wednesday, June 30, in Sacramento for the paving of the Minaret Road in the Mammoth Lakes area.

A delegation of Bridgeport Valley water users conferred with the board, and sanctioned withdrawal of a protest made by the supervisors to an application of Walker River Irrigation District to appropriate flood waters of the East Walker River. The board's protest was ordered withdrawn. Engineering studies on the proposed impounding of flood water will likely go ahead.

The board discussed plans and specifications for the new kitchen, utility room and other improvements to the Mono county hospital. The supervisors will meet next Tuesday, June 15, at 10 a.m. at the courthouse in Bridgeport to canvass absentee ballots in the primary election.

June 6, 7, 8, was set as the dates the supervisors will meet as a board of equalization to consider assessment and tax matters.

Supervisor Cain was host to his fellow-supervisors and other guests at a trout fry luncheon at the Westerner Cafe.

## Southern Council Will Hold Meeting

The annual board of directors meeting of the Southern Council of Conservation Clubs will be held at the Rocking-K Ranch west of Bishop Saturday, June 12. Approximately 25 officials of the organization, headed by Milan Miller, will be in Inyo-Mono this weekend and practically all of them will get in some fishing on Crowley and other spots.

The board of directors dinner meeting will start at 7:30 p.m. at the Rocking-K dining room.

## Good News! Warm Weather on Way

Clearing skies and warmer temperatures are slated for the Bishop area over the weekend, officials of the U. S. Weather Bureau station at the airport stated.

The break in the weather will be welcomed by residents who shivered the past week with unusually low temperatures. A low of 38 was recorded Sunday and Monday at the airport.

Maximum and minimum temperatures recorded at the weather station were as follows:

	Max.	Min.
June 2	30	49
June 3	91	46
June 4	86	50
June 5	71	45
June 6	74	38
June 7	82	38
June 8	73	46

## Plan Graduations Here This Week

Elementary and high schools of Northern Inyo county will complete their school year this week and will stage their Commencement exercises this weekend.

Bishop Union Elementary School will graduate 75 eighth graders at their program Thursday evening, June 10, on the lawn of the high school. Ralph C. Hine of Santa Barbara will give the graduation address and Don Gregory, president of the elementary school board, will present diplomas. The winners of the coveted American Legion awards will be revealed for the first time.

Round Valley Elementary, Bishop Union High, and Big Pine Unified Schools will hold their Commencement exercises Friday, June 11, all starting at 8 p.m.

Fifty-eight graders will receive their diplomas at the Round Valley graduation program at the Round Valley School. Lawson Wright, member of the board of trustees, will present the diplomas to the graduates themselves have presented the program.

The Rev. Willis E. Smith of the First Congregational Church of San Bernardino will be the principal speaker at the Commencement of the Bishop Union High School on the high school lawn Friday evening. He has had many years of experience in school work and is considered an exceptional speaker. Sam Kennedy and Bonnie Hall, highest ranking seniors, will also give short talks. Wilfred Partridge of the high school board will present the diplomas.

At Big Pine, also Friday night, Les C. Lee of the Deep Springs School will be the principal speaker. The Commencement exercises for both their eighth grade and high school graduates will be held in the school gymnasium. Nine students will receive their high school "sheepskins" and 19 will be graduated from the eighth grade. Mrs. Dorothy C. Cragen, county superintendent of schools, will make the presentation.

A list of the graduates of these Northern Inyo schools follows:

**Bishop Union High School**—Dennis Bambauer, Gayl Bradley, Charlotte Brooks, Janice Castagno, Elizabeth Chapin, Margaret Clarke, Clarence Comstock, Gerald Conder, Lillian Coons, Barbara Davis, Barbara Ellis, Myrna Erskine, John L. Fischer. (Continued On Page Two)

## Bridgeport Names Committees For Fourth of July Celebration

BRIDGEPORT—A full day of fun and entertainment, including an old-fashioned barbecue, has been planned for the Fourth of July at Bridgeport.

Hundreds of people are expected to attend the day's festivities which include a parade and exhibits by the Cold Weather Battalion of the Marine Corps at Picket Meadows, a barbecue which costs only a buck for adults and is free for the children, street sports and contests, baseball game, dancing, and floor-show entertainment.

The committees who will handle the fourth of July celebration are as follows:

**Finance and Executive**—Walter R. Evans, chairman; Erna N. Bryant, co-chairman; George C. Delury, treasurer; Louise Dolan, Sam Cohen, and Cal Brumbaugh.

**Sports and Baseball**—Walter B. Cain, Frank Dolan, Carl Schlimglof, Eddie Denton, Cecil DeChambeau, Markham Thraillkill, and Angus Vogt.

**Literary**—Ed Moran, Wally Wolzak, Helen M. Evans, Arch Pimentel, Ella Cain, Dr. Jack Nichols, Lenore Hunewill, Margaret Frasher, and Mrs. Pat Cain.

**Sound**—Dwight Stanley, chairman, assisted by Cold Weather Marine Battalion.

**Salute**—Corde Hays, chairman, West T. Smith, and Frank Dolan.

## Glider Pilots May Fly from Bishop To National Meet

Bishop may be the "jumping off point" for several glider pilots who plan to enter the 21st National Soaring Contest which will be held at Elsinore, Calif. July 27-Aug. 5.

In a letter to all entrants in the championship contest and in the national publication, "Soaring," the committee in charge has urged the contestants from all over America to come by way of Bishop and to try their sailplanes on the famous "Sierra Wave."

According to Hal Smith of Elsinore, at least 100 glider enthusiasts will take part in the contest there and he expects a large number to visit Bishop on the way.

The committee in charge of the contest has urged that Bishop businessmen or organizations put up a trophy or cash award as a prize for any sailplane pilot who successfully flies from Bishop to Elsinore, a distance of some 300 airline miles.

## Supervisors Form Cemetery District

Independence Cemetery District was officially formed this week by action of Inyo board of supervisors, when the necessary legal steps were taken by board action. Named as district trustees were Wilbur Lutzow, Ray E. Lusher, and D. F. Sellers.

The board designated July 5 and 6 as dates the supervisors will meet as a board of equalization on property assessments and tax matters.

Mrs. Kate Spainhower of Lone Pine and Mrs. Louise E. Blake of Bishop were reappointed to positions on the Inyo county board of education.

The board authorized the purchase of a mail metering machine, to be located in the recorder's office.

The board designated the county clerk's office to conduct the canvass of absentee ballots for the primary election.

J. A. Laralde of Bishop appeared at the meeting and presented Chairman John Lubken with a gavel, the handle of which was made from mesquite wood from the Death Valley. The head of the gavel is from palo blanco wood from the Independence area.

Archibald Dean of High Sierra Pack Train requested the allocation of funds to repair the stock trail from Onion Valley to the top of the Sierra range. The sum of \$500 was granted.

Russell Spainhower of Lone Pine and Wilfred Davis, Inyo National Forest Supervisor, conferred with the board on trail work to be done on the national forest this summer. The board granted an additional sum of \$100 to apply on the Cottonwood trail. A sum of \$1200 was granted to provide a trail from the Parcher's Camp area in the south fork of Bishop Creek to the trail that leads to Bishop Pass. The trail will keep stock off the heavily traveled Bishop Creek road near South Lake.

## Public Hearing On Doe Season Set for June 12

The California Fish and Game Commission will hold a public hearing at 10 o'clock Saturday morning, June 12, in the high school auditorium at Independence, to sound out public sentiment concerning a proposed special deer season in a portion of Inyo County and the extreme southern portion of Mono County. Proposed dates for the hunt are Nov. 6 to 14, inclusive.

Request for the special season originally came from the Inyo-Mono Deer Herd Committee after it had heard a report by Fred Jones of the Dept. of Fish and Game who had studied the deer situation in Inyo-Mono for several years.

Several local organizations have gone on record as opposing the special seasons. On the other hand, several have voiced sentiments in favor of it. Discussion, prep and con, is expected at the hearing Saturday morning.

The proposed special seasons would allow the issuance of permits for the taking of 100 buck deer of three points or more in that part of Inyo County lying south of Red Mountain Creek and north of Pinyon Creek, west of Highway 395. The request also asks that permits be issued for the taking of 500 antlerless deer in the area between Rock Creek in southern Mono County, and Red Mountain Creek, in northern Inyo County, west of Highway 395.

The bucks would come from a herd that does not migrate out of Kings Canyon National Park until the regular deer season is over. The antlerless deer would come from an area where over-cropping of forage has become serious.

## Elks Sponsor Flag Program

With the slogan, "Show Your Colors," Bishop Elks Lodge is conducting a campaign for the community wide-display of Old Glory in observance of Flag Day, June 14.

Clark Talbot, exalted ruler of the Bishop Lodge, said the Elks are hopeful the flag will be displayed publicly before every home and business establishment in the community in honor of the 177th anniversary of the adoption of the Stars and Stripes by the Continental Congress on June 14, 1777.

Talbot, in appealing to all civic, fraternal and patriotic groups to cooperate, said displaying the flag is an effective way for every American to reaffirm his belief in the principles of freedom and self government.

Chairman of the Elks Flag Day committee is Dave Bromley. He announced a radio program will be broadcast over Radio Station KIBB at 7:30 p.m. Monday, June 14.

"The Show Your Colors" campaign is being conducted throughout the nation by 1675 lodges of the Order of the Elks. The lodge has been observing Flag Day since 1907.

## More Girls Asked To Enter County Beauty Contest

Two high school girls have already signed up as contestants in the Bishop Chamber of Commerce's contest to determine "Inyo county's most beautiful girl." They are Sue Wissing and Colleen Cosby, 17-year-old girls from Bishop.

The winner of the local contest will automatically be entered in the "Maid of California" contest which will be held at Sacramento in connection with the state fair. All expenses of the local winner will be paid.

"We need more contestants," a committee spokesman said, "and we'd like to have a representative girl from all parts of Inyo county."

Girls must live in Inyo county and must be between the ages of 16 and 26 and unmarried. Entry blanks and additional details of the contest can be obtained at the Bishop Chamber of Commerce office, 200 So. Main St.

Applications will be accepted until July 15. The contest to pick the most beautiful Inyo county girl will be held at the Rocking-K Ranch swimming pool July 17.

Winner of the state contest will receive a \$1000 U.S. Savings Bond. Second prize is \$500 and third prize is \$250.

## Snow Reported In Inyo-Mono Area Tuesday

Snow, in varied amounts, fell in Inyo-Mono late Tuesday night and early Wednesday morning, the Division of Highways office at Bishop reported.

Heaviest fall was in the Lake Mamie area at Mammoth where 12 inches was recorded. There was an 8-10 inch fall in the Twin Lakes area of Mammoth also.

About 8 inches of snow fell on Tioga Pass early Wednesday morning and the gate at the Park Service entrance was closed at that time. However, highway officials predicted that the road would be open by late Wednesday afternoon.

Other snow reported in the area was as follows: Conway Summit, 2; Deadman, 3; Crestview, 1; Sonora Junction, 2.

## Four Directors Approve Plan

Approval and acceptance of the master development plan for the Eastern Sierra Tri-County Fair grounds north of Bishop was voted by directors of the 18th Agricultural District Fair Assn. at their meeting in Bishop June 2.

For the first time in the history of the organization, all directors of the association were present at a meeting. They included George W. Coyan and Clifford Barrett of Alpine County, William J. Symons and Gene Crosby of Mono County; and Nick Mandich, Sr. Charles Herron, Alan Jacobs, and Jack Hopkins of Inyo County.

A. E. Snider, state chief of fairs and expositions; Donovan Ripier, chief of the state division of architecture; and William Seabury, assistant chief of architects, were present at the meeting and explained in detail the plans for the buildings and grounds on the Bishop fair site.

All of the men from the state fair office expressed their enthusiasm for the Eastern Sierra Tri-County Fair and its future possibilities. They intimated that, since the 18th Agricultural District was a new association, it would be high on the priority list for a building program. They said they would do everything they can to help the Inyo-Mono-Alpine district complete their plan.

The board of directors instructed Tad Davis, new fair manager, to go ahead with plans to have the new road graded and to get the fair grounds and exhibitors tents ready for use this year.

The fair entrance this year will be off Sierra St. instead of from Highway 395.

## Van Loon Receives Patent on Tool For Cutting Stone

H. A. Van Loon, Bishop business man, this week received word from Washington, D. C. that he now owns another patent.

Already manufacturing, in increasing quantity, concrete slabs for heavy construction which he patented some time ago, Van Loon this week received the patent on a stone cutter which is used for making simulated flagstones.

The newly-patented tool cuts flat slabs of concrete and breaks them in a certain way to make them appear like flagstone. It has already been used on construction of several local buildings and now Van Loon plans to push its manufacture for use elsewhere.

## Kelley Announces Development Of Mammoth Lakes Properties

Extensive development of Mammoth Lake properties has been reported by Alfonso Kelley, representative of the California-Nevada Co.

In Bishop this week, Kelley reported that several large parcels of land have recently exchanged hands and the new owners include many prominent southern Californians.

Purchasers of one large parcel of land were Jeff Hunter and Arthur W. Webb, both affiliated with Twentieth Century Fox Film Corp. of Beverly Hills.

Hunter is under contract to Fox and currently is making a picture in England. He is the husband of Barbara Rush who is presently working on a picture in France.

A flyer in the last war, Webb has been associated with the Fox business office for many years.

Another individual who recently purchased property in the Mammoth Lakes district is Lue David-

# Howard, Cohen and Keough Beat Three Inyo Incumbents; Two Torrid Contests in Mono

## Two Candidates Tie for Coleville Supervisor's Job

BRIDGEPORT—At least two bang-up races are forecast in Mono county's November election as a result of the primary voting Tuesday.

William E. Earwaker and George Silvester of Coleville each received 54 votes in the torrid contest for the county supervisor's post in the 14th district. Warren W. Chichester, the incumbent, polled only 38 votes.

This means that there will be a run-off contest between Earwaker and Silvester in the general election as neither was able to poll a majority of all votes cast for the office.

It is interesting to note that Chichester, who has now been eliminated from the race, defeated Silvester for the post four years ago by a margin of only two votes.

An interesting race for county assessor is also in the offing. Three candidates were seeking the post formerly held by Paul Ypsarraguirre who did not run for re-election. N. Edward Denton led the field with 354 votes followed by Ruth Laughlin with 212 and Angus Vogt with 158. Since no one got a majority of all votes cast for this office, Denton and Laughlin will face a run-off election in November.

In the supervisor's race in the first district, Gene Crosby polled 93 votes and William Alpers, a write-in candidate, polled 46.

At this writing it is not known whether Alpers will be on the ballot in the general election or not. An interpretation of election laws is being sought from state officials and a ruling will be announced in this paper at a later date.

There were no other contested offices in the Mono county election.

Voting was heavy throughout Mono county and approximately 68 per cent of the 1066 registered voters cast their ballots Tuesday.

Space does not permit a complete tabulation of votes for all the state and congressional offices. However, votes for some of the principal candidates were as follows:

**For Governor**—Knight polled 330 votes on the Republican ticket as compared to 12 for Graves and 13 for Gabrish. On the Democrat ticket, Knight polled 219 to 82 for Graves and 25 for Wilson.

**For U. S. Senator**—On the Republican ticket Kuchel polled 215 to 21 for Yorty, 21 for Hooley, and 0 for Cerney. On the Democratic ticket, Kuchel polled 149 as compared to 72 for Yorty, 29 for Derkum, 32 for Gallagher, and 7 for Cerney.

**For Congress**—Engle polled 187 to 170 for Berry on the Republican ticket and 189 against 82 for Berry on the Democratic side.

**For Assembly**—Lindsay polled 211 on the Republican ticket against 107 for Steves. On the Democratic side Lindsay got 193 votes as compared to 79 for Steves.

**\*SHERIFF**—New Sheriff of Inyo county next January will be Merrill Howard of Independence who succeeded in outdistancing three other rivals, including incumbent Charles Cline, in the hotly contested elections Tuesday. Howard polled 2203 votes in unofficial returns which gave him a 330 vote margin over the total of the other three candidates. Even the 265 absentee ballots couldn't change the results.

## Engle, Lindsay Are Re-Elected

Congressman Clair Engle, Democrat, and Assemblyman Francis Lindsay, Republican, both of whom represent Inyo-Mono, apparently were reelected to their posts in the primary election Tuesday.

Unofficial and incomplete returns give them both a substantial majority on both the Democratic and Republican tickets throughout their districts and a run-off election in November appears unnecessary.

Engle was opposed by William Berry and Lindsay was opposed by Clarence Steves. Incomplete returns from Sacramento at press time showed 11,200 for Lindsay and 6323 for Steves on the Republican ticket and 12,637 for Lindsay and 5156 for Steves on the Democratic side.

Although Inyo-Mono voters gave the Republicans substantial margins over their Democrat opponents in almost all state offices, voters throughout the state stuck strongly to their party lines and will force run-off elections in November.

Gov. Goodwin Knight easily obtained the GOP nomination but couldn't beat out Richard Graves for the Democrat nod. They will oppose each other in the finals.

Harold J. Powers will be the Republican nominee for lieutenant governor, opposing Edward R. Roybal in the general election.

Frank M. Jordan, incumbent secretary of state, won the GOP nomination for re-election and will face Daniel Raeburn, Democrat, in November.

Edmund G. "Pat" Brown, Democrat, incumbent attorney general, easily won the nomination on both tickets and was re-elected.

Charles G. Johnson, Republican, incumbent state treasurer, will face George Johnson, Democrat, in the general election.

Robert C. Kirkwood, Republican, incumbent state controller, will face a run-off election with Geo. Collins, Jr., Democrat, in November.

## Inyo Lumber Co. Logging, Milling Operations Resumed

Inyo Lumber Company last weekend resumed full-scale operations in the woods, following a six weeks shutdown. Hauling logs to the mill north of Bishop started Wednesday of this week. The milling operations started Monday.

The full crew is now back at work in the woods and at the mill, it was reported.

## McGraw Leads; To Face Barlow In Final Election

INDEPENDENCE—Going to the polls in almost record numbers for a primary election, voters of Inyo county Tuesday apparently elected a new sheriff, a new superintendent of schools, a new supervisor from the third district, and forced a run-off election in at least one county office—that of supervisor from the first district.

Voting was extremely heavy in Inyo county, approximately 70 per cent of the total registration of 6041. A total of 4076 cast their ballots in the sheriff's race alone.

Merrill Howard of Independence, who narrowly missed being elected four years ago, stormed back to apparent victory this week when he polled an unofficial total vote of 2203. This gave him a majority of 330 votes over the combined totals of the other three candidates who polled as follows: James Ford, 953; Charles Cline, 749; and Vernon J. Branson, 166.

Merrill Howard will take his new post as sheriff this Monday in January.

There are 265 absentee ballots to be canvassed by the county clerk's office at a later date, but they will apparently have little bearing on any of the contests.

Milton Cohen of Independence easily defeated Mrs. Dorothy Cragen, incumbent, in the county superintendent of schools' post. Total unofficial vote gave Cohen 2632 votes as compared to 1315 for Mrs. Cragen.

S. P. Keough succeeded in defeating Frank B. Krater, incumbent, for county supervisor from the third district. Voting was: Keough, 469; Krater, 375.

Bob McGraw topped the three candidates running for the supervisor's post from the first Inyo

**EDITOR'S NOTE:** The figures used in the Inyo county election are unofficial but are as accurate as they could be obtained by Chalfant Press. They are complete with the exception of the Death Valley precinct results of which were not yet available. In this precinct there are 28 registered voters.

county district, but didn't obtain a majority of all votes cast. This means he will face Incumbent Art Barlow in the general election in November. Total vote for the three candidates was: McGraw, 842; Barlow, 306; and Loyal B. "Roy" Crandall, 121.

District Attorney Bob Loundagin polled 2365 votes, but a total of 840 wrote in the name of Kenneth Kearney for the D. A. post. Whether Kearney's name will appear on the November ballot is a matter of conjecture and a ruling from the state election officials will be obtained. Announcement of the ruling will be made in this paper at a later date.

County Clerk Fay Lawrence succeeded in her re-election effort against Russell Bell. Mrs. Lawrence polled 2415 votes as compared to 1530 for Bell.

County Auditor G. O. Goodwin easily outdistanced his rival, T. A. Ackerman, and was reelected to his post. Vote was: Goodwin, 2768; Ackerman, 984.

Richard McCoy was elected constable at Independence over Robert Hutchison by a vote of 420 to 66.

Oscar Burkhardt easily defeated Edward Diaz for constable in Lone Pine, 728 to 193.

None of the other county offices were contested.

An entirely unofficial report from Death Valley precinct indicated that nine votes were cast in the regular balloting.

Space does not allow a tabulation of votes for all the state and congressional posts on the Inyo county ballot. However, here is the way Inyo county voters cast their ballots for the more important offices:

**For Governor**—On the Republican ticket, Knight polled 1825 votes to 91 for Graves and 31 for Gabrish. On the Democratic side, Knight polled 1274 as compared to 618 for Graves and 225 for Wilson.

**For U. S. Senator**—On the Republican ticket, Kuchel polled 1572

## Plans Are Made for Sixth Annual Death Valley '49er Encampment

Paul Gruendyke, superintendent of the Parks and Recreation Department of Los Angeles county, will be production chairman for the sixth annual Death Valley '49er Encampment, it was announced by Ralph Fear, Lone Pine director of the organization.

The encampment will be held Nov. 11, 12, 13 and 14.

Gruendyke will be assisted by Paul Palmer, George Seals, John W. Hilton, John Henderson and Judge Arthur Manning.

Included on the program will be community sings and campfires at the San Dunes Thursday night, Texas Spring Friday night and Furnace Creek Ranch Saturday night. Attempts will be made to furnish chuck wagon service for the valley visitors.

An additional feature planned is a recreation program for children who visit with their parents during the weekend.

John Lubken, chairman of the Inyo county board of supervisors, will be in charge of the encampment, Fear said. A portrait of Lubken taken by Paul Palmer, Newhall attorney, will be presented to the supervisor at the celebration.

Two booklets are planned by

the association, according to George W. Savage, president of the '49ers. One will be by Dr. Thomas Clements, geology professor at the University of Southern California, and will deal with the geological history of the desert area. The other is to be written by Ardis Walker, a descendant of an early pioneer California family and will deal with an account of William Manley's famous expedition through the valley in 1849. An original unpublished map, showing the route traversed by Manley which was found last year will be included in the book.

A new map, to include the general desert area bounded by Barstow, Bishop and Baker will be printed on the reverse side of the Death Valley '49er circular.

Fear said three new members of the museum committee had been named by the association. They are Paul Palmer, David Stern, of the Pacific Coast Borax Co., and Maury Sorrells, Inyo county supervisor. They will make plans for the construction of a museum to house artifacts of the desert region.

Harry J. Lee, formerly of Lone Pine, has been named member of the advisory committee. Lee was formerly a director of the association.

Preparation of a bronze plaque by Mrs. Cyria Henderson to mark Death Valley Scotty's grave has been ordered by the association. It will be erected at ceremonies on Nov. 12.

The inscription will read: "I got four things to live by: Don't say nothing that will hurt anybody. Don't give advice—no body will take it anyway. Don't complain. Don't explain."

Four supervisors from Inyo county have been named to the advisory committee. They are John Lubken, Frank Krater, Arthur L. Barlow and Wallace Partridge.

The September meeting of the '49er directors will be held at Camp Seely in the San Bernardino mountains and the October meeting will be held at Stove Pipe Wells.

### Election Pot Pourri

If this edition of your local paper is fouled up, you can blame it on the election. After staying up all night Tuesday, and printing the paper on Wednesday, we fully expect a lot of stories have been missed, or awkwardly handled. Our eyes are slightly on the tired side, and our sense of timing is "smogged in."

First, we'd like to thank those hard-working election boards for their fine cooperation in phoning in the returns. Our thanks, also, to the Eastern Sierra amateur radio "hams" for yeoman service in relaying returns. Credit also goes to the staff of KIBS radio station for getting out the results as fast as we could collect them. Jim Oliver also stayed up most of the night. The "ham" radio folks helped send returns to far-flung areas of Inyo-Mono that were not within the listening range of KIBS at night. The Chalfant Press staff did a bit of overlapping. Some of the crew came to work in the wee morning hours before the 5 a.m. parade. Bishop and Baker will be held on election night for newspapermen usually involves a quick shower and shave, and rolling through a bed... just once, gently.

If we unduly harassed any of the election boards, we're very sorry. The local interest in the election was the greatest we've witnessed in more than 12 years, and the phone calls to our headquarters were terrific. So we kept bounding election boards, and that's really no way to treat people who have been pegging away at a difficult job for 16 to 24 hours. Yes, some of those board members almost worked around the clock. Elections always clear the air. Our intense feelings usually subside rather quickly, and we can all get back to the lighter side of life. That's the way it should be. After the majority has spoken, we should all support our duly elected officials.

The vote in Inyo county is likely to reach 70 per cent of the total registration... and that is a very commendable showing in any democratic society, especially in an election that was rated statewide as likely to draw only 50 per cent of the registered voters. Mono, is also likely to top the 80% voter participation mark.

Incidentally, Mono had two major races, and the primary did not settle either one. The assessor-tax collector race and the supervisor, fifth district, battles will still have to be decided in the November skirmish.

Inyo county apparently settled all the local campaigns, except in the first supervisorial district, where Incumbent Arthur Barlow and Bob McGraw will battle it out in November.

In the Inyo sheriff's race, Merrill Howard's apparent victory at the primary is indeed phenomenal. We're trying to recall just how long ago a similar feat was accomplished. The late superior court judge, Hugh Brierly, won a similar race in the primary, but there was no incumbent involved. Howard obviously did a tremendous amount of serious campaigning.

## Heinmiller Found Guilty by Jury

An Inyo superior court jury has convicted 56 year-old Herman Heinmiller, recently of Darwin, on three counts involving lewd and lascivious conduct and contributing to the delinquency of a minor. The jury deliberated some three hours before returning a verdict of guilty on two counts of lewd and lascivious conduct, and one charge of contributing to a delinquency of a minor. The two lewd counts were reported to carry terms of one year to life imprisonment.

The trial started Tuesday and ended Thursday of last week. Heinmiller had been arrested Feb. 17 at Darwin. He was cited for his conduct with minors at his trailer in the Darwin area. He pleaded not guilty, and not guilty by reason of insanity. It was understood that his sanity hearing would be held this week.

## In the Editor's Mailbox . . .

Editor: Elsewhere in this issue is a copy of a letter which has been read over Radio Station KIBS recently.

We strongly feel that it would be of interest to your readers.

During these past few weeks, the people of Bishop have been employed by politicians of all creeds to choose candidates for public office for their integrity and their ability to do the job for which they seek public support.

It goes without saying that these same standards of quality should be borne in mind in choosing our postmaster. The fact that this office is appointive instead of elective should have no bearing whatsoever on these qualities which we seek in a man for this high position.

It is in the spirit of public information that we ask you to print this letter.

Yours truly,  
Glenn D. Armstrong  
Helen K. McDonald

## Here's Your Chance To Win \$25 Prize For Parade Theme

Here's a chance to win \$25 and do the Bishop Homecoming and Labor Day Assn. a big favor, too.

The parade committee for the big show in September is looking for a theme for its annual parade in connection with the fair and rodeo Sept. 4. The theme must be simple and it must be adaptable so that groups and individuals can arrange floats and other entries to fit it readily.

Last year the theme of the highly successful parade was "Parade of Songs." This year the committee wants a new idea—one which will help make another successful parade.

So, if you as an individual—or part of a group or organization—have a good idea for a workable theme, write it out plainly and send to Leo F. Smith, parade chairman, P. O. Box 537, Bishop, Calif. It costs nothing to enter the contest and you can send in as many ideas as you wish.

But be sure you write it plainly and be sure you put your name, address, and telephone number (if any) on your entries.

Deadline for the contest is June 15—only a few days away—so you'll have to hurry. And, you don't need to live in Bishop to win, either. Any resident of Inyo, Mono, or Alpine counties is eligible to send in a suggestion. Don't delay. Send it in today.

## Bridgeport

By LUCILE BOGARD

George Delury went to Carson City June 2 to attend the ceremonies when John R. (Jack) Ross was sworn in as Nevada's second federal judge. The oath was administered by Judge Roger T. Foley of Las Vegas.

Mrs. S. H. Hunewill entertained the Past Noble Grand Assn. at her ranch home June 1. After the business meeting Mrs. Hunewill showed colored slides of local interest and refreshments were served at the close of the evening. Those present included Past Noble Grand Mabel Strosnider, Irene Lewis, Sadie McAlee, Elizabeth Evans, Ruth Laughlin, Mary Delury, Alice DeChambeau, Lenore Hunewill, all of Bridgeport, Eileen Goforth, Crestview, and Mike (Mrs. Bob) Newton of Mono Lake.

Mr. and Mrs. Bob Moore and Mr. and Mrs. Roger Robinson were here from southern California on a fishing trip on the weekend and camped at the Bogards.

Bud Tholl was here from Sparks during the week to visit his sister, Mrs. W. B. Evans, and family.

S. H. Hunewill was a business visitor in Smith Valley during the week.

Fred Morrow and his young nephew, Dennis Cole, were here over the weekend on a fishing trip and visited Mr. and Mrs. Jack Bogard at their camp on Robinson Creek.

Tommy Kurisky and son Tom and Gladys Kane, fishing in the Bridgeport Lake, one day last week, caught eight Rainbows which equalled two limits by weight.

Misses Sherrill Fitch of Orinda and Bess Merrick of Oakland arrived during the week to spend their vacation at the Hunewill Guest Ranch.

Joe Hilgart is here from Yerington and is doing some carpenter work at the Hunewill Ranch.

Bob Sandy was a business visitor to Reno during the week.

Miss LaVerne Eickelberger of Sparks arrived recently to spend the summer here. She has accepted a position in the assessor's office.

The school picnic was held at Twin Lakes Friday and, except for the wind blowing a gale, was a very pleasant affair. The picnic marked the end of the school term and the teachers, Mrs. Marguerite Johnson and Mrs. Rena Kemp, returned to their homes in Southern California last weekend.

Mr. Mitchell has been here for the past week and is making some improvement at his cottage in the "Eagles' Nest" on the Lower Twin Lake.

Mr. and Mrs. Maurice Brandon were here from Topaz Sunday visiting relatives.

The Peters arrived from Shafter recently and is doing some work on his cottage on the Lower Twin Lake. Mrs. Peters and their children will join him shortly to spend the summer here.

Bob Stone, who enlisted in the Navy during the Winter, received orders recently to report for training June 7. His mother, Mrs. Hank Haglund, accompanied him to Southern California on the weekend.

Mr. and Mrs. Nathan Brown were visitors to Yerington last Saturday.

Mrs. George Delury was a business visitor to Gardnerville and Minden on Monday.

Mrs. Nora Nesbitt and daughter, Miss Sandra Foster, were visitors here from Minden on Sunday.

Emil Elble arrived from San Francisco Monday to spend some time here and in Bodie.

Mrs. S. H. Hunewill was the guest of Mrs. Roy Chichester at the University Women's luncheon at Topaz Lodge on Saturday.

Mr. and Mrs. Bill Gibson and Bob Betz are here from Los Angeles on a camping and fishing trip. They are friends of Doc and Al Schlenger.

Mr. and Mrs. Louis Gibaig are here from Glendale to spend a few weeks at the Ragland cottage at the "Eagles' Nest" on the Lower Twin Lake.

Mr. and Mrs. D. V. Cain will celebrate their Golden Wedding Anniversary June 15.

## Here's Your Chance To Win \$25 Prize For Parade Theme

## Home Department Planning Picnic On Tuesday, July 6

The Home Department met at the Women's Improvement clubhouse in Bishop Tuesday, June 1, with Anna McKenzie presiding. Plans were made for the next meeting which will be a potluck picnic lunch at Bulpitt Park on Tuesday, July 6.

Committee for the meeting Tuesday included, Maude Turner, Winnie Ford, Elia Matlick, Frances Larrold, Virginia Russell, Bessie Stevens, and Dolly Perry.

Maude Williams won first place in canasta and also the draw prize. Zazle Borders was second in canasta.

## In Days Gone By..

### From THE FILES — 1920

Inyo Register, June 10, 1920: Pellissier and Moore have completed their Bishop-Benton telephone line as far as the Maron ranch.

Potash locations are being made in Fish Lake Valley across the California line in Nevada.

Frank H. Arcularius has bought the Keough Building on Main Street from P. P. Keough.

Karl Hartshorn caught the record fish of this season last Sunday, which weighed ten pounds. It came from the river near the mouth of Whiskey Creek in Long Valley.

That artesian well project is again underway at Lone Pine, it being proposed to drill to a depth of 200 feet this time.

### From THE FILES — 1877

Inyo Independent, June 9, 1877: It is the opinion of several persons who have talked with the President on the subject, within the past few days, that the silver dollar will be made legal tender on equal terms with gold, or for some limited amount.—Washington dispatch.

Wilbur and Willis Variety Troupe played Independence Thursday night. The show is really the best which has passed through this section.

For the past month, the Northern Stage Line has shown more business than for any period during the past year. Travel is about equal both ways, being largely made up of through passengers.

## WASHINGTON NOTES

By Congressman Clair Engle

Last week my Mines and Mining Subcommittee held a meeting with the top Administration officials with reference to future plans for the domestic mining industry. This meeting was attended by Dr. Arthur Flemming, director of the Office of Defense Mobilization; Felix Wormser, assistant secretary of the Interior; Edmund Mansure, administrator of the General Service Administration; and Al J. Walsh, commissioner of the Emergency Procurement Service. The purpose of this meeting was to discuss with these officials what was being planned to implement the statement issued some time ago by President Eisenhower that new emphasis was to be put on production and stockpiling of domestic minerals and metals.

Dr. Flemming stated that the entire subject is now under discussion with the Bureau of the Budget for the purpose of arriving at some agreement as to how much money will be available for a stockpiling program with long-range objectives. Dr. Flemming emphasized that they were interested in getting a plan that was something more than a year to year operation—that is to say, they want to get a plan which will establish definite stockpile objectives over a period of several years, with the assurance that the funds will be available to carry it out. He anticipated that some agreement with reference to the money to be made available would be arrived at within a couple of weeks. He stated that, unless something new develops, no additional statutory authority will be required, and that programs can be announced just as soon as the agreement on financing is arrived at.

In dealing with the specific items, it was indicated that the first action would take place in the field of lead and zinc, which are the two domestic metals in the most serious economic straits. However, the answer to all of these present worries rather vague as to the exact nature of any program for the domestic production of lead and zinc. It was stated that purchase orders would be authorized through the General Services Administration. But it was not made clear at what price these purchase orders would be offered. Members of the Committee pointed out that it was price that had killed off the domestic production of lead and zinc, and that something would have to be done about that, otherwise the program would be of no assistance. "Collateral actions" were discussed—meaning tariffs, quotas, or a combination of tariffs and quotas, to increase the domestic price of lead and zinc. This seemed to fall pretty much in Mr. Wormser's field, but our conference didn't reveal what "collateral actions" might be taken to enable a domestic purchase program at market prices to be successful.

With reference to manganese: The importance of this item, without which steel cannot be manufactured, was admitted; however, it appears that the present contracts for the purchase of manganese for the stockpile (some of them overseas) may produce enough manganese to more than equal the present objectives of the stockpiling program. It was stated that the stockpile objectives will be reviewed and perhaps the amount of manganese to be maintained in the stockpile over the Memorial Day weekend.

Mr. and Mrs. Porter Ashe of Pasadena and Mr. and Mrs. John Robinson of La Canada are vacationing at the Circle H. Guest Ranch this week.

Mr. and Mrs. Walter Rehfs were here last weekend to visit her parents, Mr. and Mrs. George Nugent.

Harvey Hunewill flew from Reno to Denver last Sunday. There he was met by Stanley L. Hunewill, who is attending Colorado A. and M. After spending a few days at Fort Collins, the two boys will return for the summer.

Mr. and Mrs. Fred Strosnider and S. H. Hunewill were among the local people who were in Carson City for the ceremonies when J. R. (Jack) Ross was sworn in as federal judge. Mrs. Strosnider and Mrs. Ross are sisters.

Mr. and Mrs. Rufus Ranney were here from the Coast last weekend. They were accompanied by their daughter, Miss Mimi, who will spend the summer at the Hunewill Guest Ranch.

Mr. and Mrs. Nathan Brown were visitors to Yerington last Saturday.

Mrs. George Delury was a business visitor to Gardnerville and Minden on Monday.

Mrs. Nora Nesbitt and daughter, Miss Sandra Foster, were visitors here from Minden on Sunday.

Emil Elble arrived from San Francisco Monday to spend some time here and in Bodie.

Mrs. S. H. Hunewill was the guest of Mrs. Roy Chichester at the University Women's luncheon at Topaz Lodge on Saturday.

Mr. and Mrs. Bill Gibson and Bob Betz are here from Los Angeles on a camping and fishing trip. They are friends of Doc and Al Schlenger.

Mr. and Mrs. Louis Gibaig are here from Glendale to spend a few weeks at the Ragland cottage at the "Eagles' Nest" on the Lower Twin Lake.

Mr. and Mrs. D. V. Cain will celebrate their Golden Wedding Anniversary June 15.

Also, another well known couple here Rev. and Mrs. Brewster Adams, who have spent many summers in the area, will be celebrating their 50th wedding anniversary June 29.

Miss Florence Miller visited in

## Indian Grave Shows Link Between Old and New Worlds

A tie between the New and Old Worlds a hundred or more years ago was traced last week by Ben Randolph, amateur archaeologist and jeweler.

Randolph, while on a rock and gem prospecting trip nine miles southeast of Lone Pine, came upon a spot he recognized as a probable Indian burial ground. He spent several hours laboring in the hot sun before he located the remains of an Indian, obviously killed with an arrow and a spearhead.

But scattered among the few bones which had not disintegrated were thousands of bright colored beads of European design.

The Lone Pine jeweler and rock cutter, who has spent 26 years in Owens Valley, said the Indian had apparently been wounded by the arrow and his attacker had killed him with a spear, the point of which broke on contact with the victim's ribs.

The burial place had been carefully prepared in a sheltered spot where the winds and rains would not disturb the grave. The beads were draped around the remains, and in one spot there were several hundred about the size of a pinhead.

The beads range from the pinhead size up to eight-sided ones nearly a half-inch in diameter.

Randolph found the remains under 54 inches of gravel and dirt, with no evidence above the bones that it had ever been a campground. It was found in the general vicinity where other Indian artifacts have been collected by the Southwest Museum in Los Angeles.

The Lone Pine man worked at times with Mark Harrington, famed archaeologist from the museum several years ago when an expedition worked at a location about 40 miles south of here. Harrington at the time told Randolph that similar beads found with Indian remains were of glass and probably had been manufactured in what is now Czechoslovakia more than 1000 years ago.

The beads found their way to the Indians from the early white man—either from the coastal regions or from the explorers who came up from the southwest.

Randolph has found hundreds of arrowheads in Owens and Saline Valleys of Inyo County, most of them being made of obsidian, a volcanic rock. Last week, while searching just east of Independence he found a large number of arrowheads ranging from small, delicate ones to large heavy ones. At that same spot he found parts of abalone shells and other shells of heavy texture, indicating that the Indians of Inyo County had traded with those along the coast.

In his home a storeroom is crowded with scores of powder boxes filled with mineral specimens, rock specimens, arrowheads and other natural curiosities

tained in the stockpile increased. The present amount in the stockpile and the stockpile objective on manganese were not stated, but several members of the Committee are able to make a pretty good guess at what it is. We know that it is too low to take care of us in the event of a national emergency with overseas supplies cut off. I urged doubling or tripling the present stockpile objectives. That will not be done, but it may be increased as much as 50 per cent.

Even in this case, the contracts, if they are all fulfilled, may come pretty close to reaching the stockpile objective. The statement was made that if, after having a chance to look the situation over, it appears that other contracts can be entered into without over-running the stockpile objective, a new program will be set up.

With reference to chrome: For a long time I have urged that the chrome producers be permitted to deliver to the stockpile at railroad in carload lots. It was agreed that this was a sensible arrangement and we were told that efforts were being made to work it out. A plan is afoot to permit the producer to pool their production at the Port of Stockton and, on the accumulation of carload lots, permit delivery to be accepted there. This was the one optimistic note in the chrome picture.

Nothing is contemplated at the present time with reference to the tungsten program, which has another three years to run. However, with reference to tungsten and to all other strategic minerals and metals, the situation will be kept under constant review. It is clear that programs will be tailored for each material and that there would be no repetition of the old premium price program. In other words, the system will be followed of setting up separate government programs for each mineral and metal, as has been done in the cases of chrome, manganese, and tungsten, and as is now contemplated for lead and zinc.

Taking the conference as a whole, it was encouraging as to the attitude of the present Administration on the production of these critical and strategic minerals and metals. There appears to be a determination to protect ourselves with an adequate stockpile and to encourage, on a long-range and practical basis, the continued existence of a domestic mining industry in these vital fields. Furthermore, this program is to proceed on the assumption that, in a large measure, these materials will not be available from overseas sources. However, the proof of the pudding is in the eating, and we will have to see what is worked out in actual practice.

## 'Operation Alert' Planned in Inyo

INDEPENDENCE — Operating with a skeleton crew, Inyo county's civil defense agencies will participate in a nationwide exercise June 14. The program has been dubbed "Operation Alert" and also participating will be Canada, Alaska and the Hawaiian Islands.

Inyo county's participation will be confined only to Independence and the control center will be located at the court house here, according to John K. Smith, director of civil defense for Inyo county. Assisting the director will be Mrs. Gladys Branson, secretary for civil defense in the county.

Key figures from the various services will be involved in the command post exercises although Director Smith has issued an invitation to anyone in the county to participate.

Nationwide, "operation alert" will involve 40 key cities in the United States. Assimilated attack problems, including guided missiles and atomic warfare, will be conducted.

Although nationally the exercise is scheduled for both June 14 and 15, the command post here will be in operation only from 6 p.m. until midnight, June 14.

## June Lake Blaze Destroys Cabin, But Others Saved

Cooperation by volunteer firemen, local residents of the area and vacationists is credited with averting a serious fire disaster at June Lake late Saturday evening. While one double rental cabin, property of Dewey Kirk, was gutted, quick work on the part of the fire fighters prevented the blaze from spreading to other cabins in the vicinity. Kirk's cabin and furniture were described as a total loss.

Cause of the blaze has not been determined, but June Lake residents believe that it might have been started by lightning.

The fire was discovered at approximately 10:10 p.m. during a combination lightning, thunder and rain storm. The cabin was unoccupied at the time.

All who assisted in controlling the fire have been commended by residents of the June Lake area.

## Lightning Starts Three Forest Fires Saturday Evening

A severe thunder and lightning storm Saturday evening at June Lake started three forest fires on Reverse Peak and set fire to an unoccupied cabin at June Lake, causing its complete destruction, reports Ed Keene, Mono Lake Ranger, Inyo National Forest.

The storm produced about three inches of snow, extinguishing all but one of the forest fires, while two men from the Gull Lake Ranger Station were assisting the June Lake Volunteer Fire Department in combatting the cabin fire, Ranger Keene went on.

Art Fournier, of June Lake sighted the unextinguished fire on the northeast side of Reverse Peak and reported it to the Forest Service. A crew was dispatched and the blaze extinguished. Meanwhile, reports poured in from highway travelers, as the fire was easily seen from U. S. 395.

"We appreciate the trouble taken by many people to report the fire to us," stated Ranger Keene.

## Inyo Election...

(Continued From Page One)  
votes as compared to 117 for Yorty, 47 for Hooley, and 9 for Cerney. On the Democratic side, Kuchel received 810 votes as compared to 643 for Yorty, 174 for Derkum, 187 for Gallagher, and 24 for Cerney.

For Congress—On the Republican ticket, Berry polled 998 votes as compared to 790 for Engle. On the Democratic side, Engle polled 1743 against 261 for Berry.

For Assembly—On the Republican ticket, Lindsay polled 1244 votes as compared to 465 for Steves. On the Democratic side, Lindsay polled 1246 to 447 for Steves.

## ELECTROLUX CLEANER

# Dodgers Win One, Tie One to Stay On Top of National Little League Standings; Cardinals Now Second

There were three major developments in Owens Valley National Little League action during the past week of action. First, the Rotary club sponsored Dodgers continued to set an unbeaten pace, although held to a scoreless ten inning tie by Boyd's Cardinals. Second, the surprising Cards took a solid grip on second. And third, the defending champion Cubs slipped to a faltering third place via defeats by the Dodgers and Cardinals.

The key game for the first half race would appear to be the Dodgers vs. Cardinals battle at the Bishop high school field this afternoon (Thursday). The two teams battled to a 0-0 tie in 10 innings in their previous meeting, last Wednesday, June 2. A win by the Dodgers today would just about sew up the first half title for the club, while a Card victory would throw the race into a tie. Both teams have maneuvered pitching rotations in order to have their best flingers ready for the contest. That would be Duane Chiatovich for the Dodgers and Norman Bernard for the Cardinals. Game time is 5:30 p.m.

Last weeks results:

Cubs 10, Giants 5 . . .

The 1954 season opener at Round Valley took place Tuesday, June 1, and the visiting Cubs came from behind in the late innings to bang out a 10-5 decision. The Giants grabbed a 1-0 lead in the second and held on until the fourth when the Cubs produced three runs on singles by Russell Skaggs, Duane Chiatovich, and a double by Darrel Frambes and a couple of errors.

Seven more runs in the fifth provided the Cubs with the margin of victory, although the Giants rallied for a final four scores. John Langenheim and McNally twirled for the Cubs, while Peterson was the losing hurler.

Dodgers 0, Cardinals 0 (10 inn.) . .

In its two years of existence the Owens Valley National Little League never had a tighter contest than the one last Wednesday, June 2, when the Dodgers and Cardinals went ten innings to a scoreless deadlock.

This was a pitcher's battle for sure. Norman Bernard, the Cards' ace, pitched a brilliant game, holding the Dodgers to six frames without a run, Chiatovich throwing no-hit ball and Bernard yielding two hits.

Then Gary Bandhauer relieved Bernard, and Skeeter McMurry replaced Chiatovich. Still no score, although the Cards reached McMurry for two singles during his fourth inning stint.

With darkness closing in on the twilight contest, the umpires finally called it a tie.

Cardinal hits were a seventh inning single by Bernard and an eighth inning single by Frank Brace. Chiatovich singled for the Dodgers in the fourth, and Bopp repeated in the fifth.

Cardinals 4, Cubs 3 . . .

Following their terrific scrap with the Dodgers, the Cardinals bounced back the next day to up end the dangerous Cubs, 4-3.

They did it the hard way too, coming from behind a 3-2 deficit in the bottom of the sixth to grab the win.

Big Gary Bandhauer broke up the game by lining a drive down the third base line with the score tied and the bases full. Lawrence Nolan, who had just replaced Darrel Frambes on the mound, was the victim of the hit.

Andy Boyd went all the way for the Cards and held the Cubs to four hits.

Dodgers 14, Giants 4 . . .

Jumping into a quick lead and never looking back, the Dodgers handed the Giants a 14-4 thumping at Round Valley, last Thursday.

Duane Chiatovich was the big gun for the Dodgers, rapping out two doubles and driving in a hat full of runs.

Norton and Davito worked on the mound by the Giants in a vain effort to stem the flow of Dodger runs. The winners used three hurlers, Jimmy Loundagin, Tommy Williams, and Junior Kinney.

Dodgers 7, Cubs 1 . . .

Exploding for six runs in the home fifth, the Dodgers trounced the Cubs, 7-1, last Monday and practically erased the losers from title consideration in the first half race.

A tight 1-1 pitching duel between the Dodgers' Skeeter McMurry and Jimmy McNally of the Cubs went by the boards in the fifth when the Dodgers put together five hits, a pair of walks and a fielder's choice to put the game on ice. John Langenheim finally came to McNally's rescue, but it was too late.

McMurry let the 'Cubs down

## Sport Topics

...by HOWARD FROST

Off The Cuff . . .

"Stormy, cloudy, and foggy," the "big three" at the weather bureau tell me the current "unusual" weather doesn't mean a thing. It's really summer, and if you're not wearing short sleeves shirts, you're a traitor to the Chamber of Commerce.

While it would be hard to convince Dave McCoy up at Mammoth Mountain that this is summer and the skiers should have put away the slats for a few months, the calendar bears out the fact it is the middle of June. "Fair and warmer" forecasts to the contrary, Dave has got the weather on his side. Or weren't you up that way last weekend?

Taking the "big three" at their word, and also recognizing the fact that calendar figures and almanacs don't lie, local summer sports organizations are going right ahead with their fair weather plans.

For instance, the Bishop Amateur Softball League held a meeting last Monday night to formulate (how's that?) plans for the 1954 season. Late reports say there will be a four team wheel operating under the lights this year.

So, any evening now, there's going to be a big rush of activity at the high school field. And league officials tell me there's absolutely no truth to the report that uniform of the day (night) will be long handles and sweat shirts. It's summer, you know.

The Owens Valley American Legion Junior Baseball Assn. (there's a mouthful) has also announced it plans to get underway on Saturday, June 19. The OVALJBA is better known under the informal title of "Pony League," and is the valleywide baseball program for boys in the 13-15 age group.

The OVALJBA is going to operate on a two-week schedule, alternating games on Tuesdays and Saturdays. Tuesday contest starts at 5:30, Saturday games at 2:00 p.m. The problem of playing at night or in the warm sunlight (?) was solved rather easily. No lights.

The "Pony League" organization is composed of teams from Bishop, Big Pine, Independence, and Lone Pine, and will operate on a split-season schedule. First and second half winners will meet for the title in a post-season series.

Meanwhile, the Little League teams continue to roll along with the Dodgers and Cardinals battling it out for the league lead. In spite of the peculiar weather, the little fellows haven't run into a rain-out or a too windy day yet. Just a few gray skies.

Weekend fishermen haven't been so lucky. Wind, snow, and rain have been the order of the day from Friday to Sunday since the first of May. Some enthusiasts tell me that fishing is better in foul weather. I have my suspicions about people who make such remarks. I think they're duck hunters in disguise.

### Private Stocking Approved by Board

Five applications for permits to stock trout in private waters, closed to public fishing, were approved by the state fish and game commission at a May 23 meeting in Los Angeles. The action resulted from a recent ruling by the state attorney general's office that California landowners cannot be required to open privately owned lakes and streams to public fishing.

The five applications approved to stock rainbow trout were submitted by the North Fork Association, Soda Springs; Jack McGregor, Riverside; Ray Montgomery, Oakland; Elsworth Alford, Angels Camp; and A. N. Lund, Stockton.

The fair for the trollers and bait-fishermen. Shore fishing was okeh in spite of wind. North Lake was fair.

Bishop Creek is still reported as fair for the bait fishermen on both the south and north forks. Big Pine Creek is clear and in good condition. Bait fishing is fair-to-good with salmon eggs and worms.

In Southern Inyo the following streams are fairly high and clear. They are well stocked and fair-to-good fishing is reported on salmon eggs and worms: Birch, Tinnemaha, Taboose, Division, Goodale, Oak, Independence, Symmes, Bairs, Georges, Hog Back, Lone Pine, Tuttle, Cottonwood, and Ash.

INYO REGISTER, Bishop, California

## Bishop Gorge to Meet Ridgecrest Nine at Memorial Field on Sunday

Bishop Gorge, now in the cellar of the Eastern Sierra League, will have a chance to slow down the high-flying Ridgecrest nine in a league game on the Bishop diamond this Sunday, June 13. The game is called for 2:15 p.m.

Ridgecrest is boasting a 6-1 record in league play and is a half game ahead of the ever-improving Lone Pine team. The Bishop Gorge crew, on the other hand, has only two wins and six losses to their credit this year. Cliff Geer's boys would like nothing better than to humble the league-leading invaders, especially in front of the home folks.

But with Ridgecrest showing a fine, well-balanced aggregation, the Bishop boys are definitely the underdogs in the contest.

The Bishop Giants journey to Big Pine for a game with Bert Griffith's Indians. The Big Pines have won four and lost four for the season, but figure to beat the Giants. However, the Bishop nine is hoping for an upset.

Lone Pine journeys to Trona for the other Eastern Sierra League contest of the day. The Gophers have a good team and have won six games this year and will be out to hold their second place spot—or possibly go into first if Ridgecrest should lose.

Results last Sunday were pretty much true to form.

Lone Pine defeated the Bishop Gorge, 14 to 5, behind the steady pitching of Larry Bell. The Gorge nine started off with three runs in the opening inning, but the Lone Pine team tied it up the same inning and soon went ahead, never to be headed. Bear, Boben, and Geer did the chucking for the losers.

Trona took care of the Bishop Giants in like fashion, although there wasn't so much scoring on either side. Machado pitched the entire game for the Giants and the eventual loser by a 7-2 score.

Big Pine opened up a 6-0 lead on the high-flying Ridgecrest team, but they couldn't hold the latter and the team from the south ended the victor, 7-6.

### Izaak Walton League Sees Colored Slides Of Wilderness Areas

The Izaak Walton League enjoyed some interesting and educational color slides at their meeting held in Bishop last Friday night. It was the last meeting until September.

The colored slides were shown by Dave Wiltzie, local taxidermist, who also explained them as he projected them on the screen. Some of the slides were taken in the wilderness area of Eastern Canada showing beaver and birds in their native habitat.

The other group was taken in British Columbia and showed wild goats and grizzly bears in their native areas.

### Delivery Slowed In East Walker

BRIDGEPORT—While a full decree is being maintained on the West Walker and Main River, cold weather has forced a decrease in delivery of decreed water on the East Walker, according to the Mason Valley Times.

The Times also reports that the Bridgeport reservoir now contains 30,000 acre feet of storage while Topaz, nearly full, now holds 55,000 acre feet.

### Softball Managers Will Meet Monday

Managers of the Bishop softball teams will meet again Monday, June 14, at 7:30 p.m. at the Bishop high school gymnasium, J. A. Schwab announced this week.

Three teams will definitely be fielded this summer, Schwab said, and a fourth may be able to enter.

Teams definitely going to play are: Nik-N-Bob's Spirits, Buck's City Clubbers, and Jack's Waffle Shop. The Bishop Elks may also field a team if they can get enough players.

Play in the summer schedule will probably get started in a week or two, Schwab said.

### Osuna and Yankton To Attend School For Basketball

Two top basketball players from Lone Pine high school were to leave Friday for New Hampshire with Fred Robbins, high school teacher, to enroll in a famous basketball school this summer.

The players are Louis Osuna and Mike Yankton, who are expected to be the mainstays on the Eagle quintet next winter. They will go to the school operated by Bob Cousy, former Holy Cross university star and later play-maker for the Boston Celtics.

The boys hope to find work for the summer while in the East and will attend a 10-day course for boys from 15 to 19.

They will return with Robbins in the latter part of August.

### Red Cross Swim Class Registration To Be This Week

Registrations for the Red Cross swimming classes for the students of the Bishop schools are being taken all this week at the Line St. and Home St. school offices. Fees of \$1 for transportation and \$1.50 for pool charge must accompany the registration in advance.

Classes will be given June 21 through July 2, Mondays through Fridays. Busses are scheduled to leave at the Fowler St. entrance of the Line St. school four times each morning. See next week's paper for detailed schedule.

These classes will be given free by certified Red Cross water safety instructors and are being sponsored by the Bishop Parent-Teacher Assn. and the Bishop Elementary School District.

## Where Do Fish in Crowley Lake Come From? They're Planted!

Trout fishermen suffering cold fingers in order to get in some early-morning licks on such Inyo-Mono waters as Crowley Lake might bring themselves a quick glow of comparative warmth by mulling over the question: "Where did these trout come from, and what did it take to put them in here?"

The biting wind and recent opening-morning temperature of 18 degrees at Crowley melt into insignificance by the time the question is answered.

All of the trout planted in Crowley Lake are put there by the Dept. of Fish and Game, and nearly all of them come from the Hot Creek Hatchery, 35 miles north of Bishop. Here, trout eggs and young fish in the hatchery troughs form a living crop that requires attention every day of the year, in spite of below-zero temperatures and howling blizzards that isolate Foreman Bill White and his dozen helpers and all their families for days or weeks.

No matter what the weather, fish screens in the outdoor ponds have to be cleaned by hand, fish food must be prepared and transported to the ponds and fed to the fish, and a constant watch must be kept over the growing crop. When the hatchery roads are blocked by snow, the fish food is a ton a day at Hot Creek alone, even in January—must be carried by hand or pulled on toboggans from the storage and preparation building to ponds as much as half a mile away.

Immediately after a blizzard, when the snow is soft, the hatcherymen must go about their chores on snowshoes. Working waist-deep in an outdoor trout pond in winter, or hand-manipulating the spawning of big, slippery brood trout during a December blizzard, can be something other than fun.

Leon Talbott, veteran supervisor of the Department's four Inyo-Mono hatcheries, with headquarters in Bishop, knows the winter trout-raising story from years of rugged experience.

For an example, Talbott cites the winter of 1951-52, when the Hot Creek hatchery was snowed out for a total of 54 days. That winter one of the hatchery workers almost lost his life attempting to walk a mile, through a roaring blizzard, in order to get from his

work in the lower hatchery unit back to the main buildings.

Blinded by the storm, he was soon completely lost—and he stayed lost for hours. Luckily, he eventually bumped into a wire fence and chose the right direction to grope his way along the fence line. Four hours after being swallowed up by the storm, he reached the headquarters building, nearly frozen to death.

The young trout he helped nurse through the sub-zero blizzard grew to plantable size, and it is safe to assume that some of them have been caught by early-morning Crowley Lake fishermen who grumbled good-naturedly about frosty fingers.

### Juniors Capture Intra-Mural Meet At Lone Pine High

The junior class at Lone Pine high school won the annual intra-mural meet last week with 15½ points. The seniors were second, with 12; the freshmen third with 5, and the sophomores last with 3½.

The winners took an early lead when they won the volleyball competition. The seniors were second, freshmen third and sophomores last.

In baseball, the juniors and sophomores combined to make one team and were the champions, followed by the freshmen and seniors.

The big surprise of the contests was when the juniors defeated the seniors in basketball. The freshmen were third and the sophomores were last.

In track, the seniors were tops, the juniors second, sophomores third and freshmen fourth.

## Morgans Hosts At Open House

Mr. and Mrs. Bruce Morgan hosted a gala open house for their many friends in Southern Inyo. The affair, held June 5, took place at the spacious headquarters of the Mt. Whitney Pack Trails, along Carroll Creek.

This was the first of the many summer parties planned for the Lone Pine area. An open-air buffet was served around two campfires by Carl Kountz and Johnny Morris to more than one hundred guests.

Grace and Bruce, whose hospitality is a by-word in Lone Pine or in the winter quarters at Death Valley, were ably assisted by their children—Mr. and Mrs. Charles Morgan (Mary Fuller), Mr. and Mrs. Thomas Jefferson (Barbara Morgan), Mr. and Mrs. Sam House (Enid Morgan), and Richard and Roberta Morgan. Also lending a hand were the personnel of the pack train, Mr. and Mrs. Tugwell Malone, and Billy Bishop.

A special feature of the evening was the provision for the entertainment of the young people. Burros and horses were provided for riding, and a surrey, without the fringe on top, made frequent trips to the hill top. The surrey rides were guided by Bishop, an ex-world champion rodeo performer.

Grace was attired in a stunning outfit of rust colored riders with a chartreuse corduroy blouse. The members of her family were appropriately attired in western clothing.

The victory of success is half won when one gains the habit of work.

## Funeral Services Held for Mrs. Day

Funeral services for Mrs. Lura Lydia (Gilmore) Day, 70, were held in Farmington, New Mexico, May 22. Mrs. Day was born Dec. 30, 1875, in Weatherford, Young county, Texas.

She was one of four children born to Mr. and Mrs. Tom Gilmore. On Nov. 13, 1890, she was united in marriage with John E. Day. Of this marriage were born ten children, one of whom preceded her in death.

In 1913 they moved from their home in Texas to New Mexico, where they made their home near Grants. In 1922 they moved to the Aztec—Farmington area, where Mr. Day passed away in 1947.

Mrs. Day is survived by nine children: Thomas C. Day of Phoenix; Marian M. Day, of Las Vegas, New Mexico; Claytie Alan of Albuquerque; Callie Milleson, of Terkins, Calif.; Della Kenney, of Durango, Colo.; Mattie Butler, of Lone Pine; Myrtle Butler, of Farmington; Mrs. Johnnie Brown, of Auburn, Calif.; and Charles Day, of Lone Pine. She is also survived by 35 grandchildren, one of whom, Marian Lovelady, she raised following the death of his mother, while the child was an infant; and by 51 great grandchildren.

Services were conducted by Cope Mortuary in the Free Methodist Church, with the Rev. Carmack officiating. Interment was at Green Lawn Cemetery, Farmington.

Times may have been tough 20 years ago. When you worked for \$3 a day, however, you got the \$3.

★ NAVY MAN—Frank F. Cooley, metalsmith third class, USN, son of Frank H. Cooley of Big Pine, is serving aboard the fleet oiler USS Patapsco which was slightly contaminated by radioactive fallout during recent atomic tests in the South Pacific.

## Hospital Donation Fund Hits \$4095

Two recent donations to the Southern Inyo Special Equipment Fund to provide respirators and other needed instruments for the hospitals were made to treasurer Dale Mantel and Don Joseph. Previously acknowledged \$3896.39. Coso Mine and Chemical workers in memory of T. R. Fortney, from Darwin ..... 25.00 Hospital employees—food sale ..... 83.85 Total to date ..... \$4095.24

Mr. and Mrs. Charlie Gonzales are the proud parents of a boy born in Southern Inyo Hospital on June 8, at 11:33 a.m. The baby has been named Daniel Mical and tipped the scales at seven pounds 13 3/4 ounces. Mrs. Gonzales is feeling fine and will be going home soon to Bartlett.

## Pine Creek Round Valley

By Betty F. Martinson  
Phone 2593

There will be no Red Cross swimming classes for Round Valley students and no Fourth of July celebration at the school house, according to decisions reached at last week's meeting of the Pine Creek PTA. All efforts to obtain a qualified swimming instructor have been unsuccessful, and the fireworks party was cancelled in order to cooperate fully with the plans for an expanded celebration in Bishop.

The group decided to hold the annual summer round-up of entering kindergarten students some time in August. Committee chairmen for graduation are Mrs. Don McCormick, food; Mrs. John Emerson, corsages; and Mrs. John Sullivan, table decorations.

Those present at the meeting included Mr. and Mrs. Ray Ipsen, Mr. and Mrs. John Van Essen, Mrs. H. C. Kruse, Clair Kunkel, Don McCormick, Paul Price, Herb Hardy, John Emerson, Ken Walsh, Stephen Smith, and Ruby Covington, Miss Mary McComas, and Messrs. Fred Puderbaugh and Ronald Seovitch.

Girl Scouts will honor their fathers at a picnic this Sunday, June 13, at McKinley Park. They worked to finish the gifts they are making for the occasion at their meeting Tuesday, but took time out to celebrate the birthday of Betty Lou Smith. This, the final meeting of the school year, was also the last official session for Mrs. Robert Carpenter, who is resigning as their leader. Mrs. Bill Kohler will take over next year.

The Brownies had their Father's Picnic last Sunday at the park and presented their fathers with comb and file cases which they had made. Fathers managed, according to all reports, to hold their own in the game and food departments. Those who attended were Ed Norton and Jo Ann, David Casey and Mildred Clemo, Milton Funk and Genie, Leonard Clemo and Donna, Francis and Patty Blum, John and Lynn Tucker, Ray and Bonnie Ipsen, Dan and DeLoe Graybill, Bob and Bobbie Carpenter, John and Kathy Williams, Michael and Diana Price, Larry and Gretchen Sausa, David and Ann Apodaca, Don and Diane McCormick, Curly and Norma Kruse, Don and Ginny Trauffer, Charles and Toni Gillespie, Joe and June Cruz, and Dianne and Sandy Pulliam.

Regardless of the weather this was a great week for showers. They started off last Thursday night with a baby shower for Mrs. Tom Holmes, given by Mrs. John Emerson and Mrs. John Martinson at the Martinson home. Since

## BIG PINE BACCALAUREATE

BIG PINE—Baccalaureate services were held Sunday evening, June 6, at the Big Pine church for the graduating classes of 1954. Mrs. Ernest Miller of Lone Pine was the speaker and special music was by Gary Roberts, one of the graduates, and the choir.

It was something of a farewell for Mrs. Holmes and Mrs. Bill Latham, who are leaving next week for Colorado, the baby gifts were brought in on a fleet of toy moving vans. Mrs. Latham was also presented with a farewell gift.

Guests present were Meses. Joe Cruz, Lawson Wright, John Sullivan, P. McCutchen, Palmer Jones, John Davito, Wilmer Witt, Bill Kohler, C. Gribben, Larry Sausa, Paul Price, Donald Markl, Robert Carpenter, H. L. McKinley, Al Sada, and Donald McCormick.

Saturday evening Mrs. Johnny Lester had a stork shower for Mrs. O. Opal Clupk. Among those enjoying the games and refreshments were Meses. Lorene Peden, Ronnie Heath, Mary Godfrey, Ethel Willis, Maude Shaw, Opal Barron, Florence Stockman, Jean Chesebro, and Miss Diane Chesebro.

Mrs. Bob Wooley was the third mother-to-be honored, as Mrs. Lawson Wright and Mrs. John Emerson gave a "coffee-hour" shower for her Monday morning. Guests were Meses. Leroy Bayer, John Sullivan, E. F. DeLucas, Wilmer Witt, Earl Stokes, Al Sada, Jerry Preston and Raymond Gray. Mrs. Clair Kunkel and Mrs. Don Markl sent gifts.

Mrs. Bill Latham was given a packed lunch and farewell luncheon Wednesday by Mrs. Palmer Jones and Mrs. Milton Funk at the Jones home. Those who gathered to wish her well were Meses. P. C. Gribben, John Emerson, John Sullivan, Clair Kunkel, James Cortez, E. F. DeLucas, Arch Williams, Al Sada, Ray Ipsen, Larry Sausa, Marion Burk, John Owen, Ted Markl, John Davito, Leroy Bayer, Nick Kurzeck, O. S. Herman, Paul Price, and Don McCormick.

The appointment of Mrs. Clair Kunkel as chairman of the PTA Child Study Group was announced this week by Mrs. H. C. Kruse, PTA president.

The Dinner club met Saturday night at the John Sullivan home before adjourning to Paradise Camp. In the group were Meses. Al Sada, R. D. Carpenter, Wilmer Witt, Bill Kohler, P. C. Gribben, L. E. Sausa, John Martinson, and Lawson Wright, and Mr. R. M. Mahoney.

Mmes. Don McCormick, Merle Peters, John Davito, and Paul Price will go with the Neighbors of Woodcraft guard team to the Santa Maria convention Saturday.

Mr. and Mrs. John Martinson had a birthday party Monday night for Mrs. R. D. Carpenter. Guests were the Bill Kohler, H. L. McKinley, and Al Sada families. Mr. and Mrs. Frank Slate of Paso Robles, and Mr. and Mrs. H. A. Fruehling of Los Angeles. The Slaters, aunt and uncle of Mrs. Martinson, and the Fruehlings, her parents, visited here this week en route home from a trip through Canada and the East.

Three New York auditors are visiting U. S. Vanadium this week. They are Meses. P. E. Schneider, J. Restar, and J. M. Fitzpatrick.

Mr. and Mrs. Bobby Hamilton moved from the Pine Creek Housing to Rovana 37.

Harry Vonderheide's son, Harry, Jr., visited here last week from San Francisco.

Mrs. Al Sada and her two boys will leave Sunday to spend several weeks in Greenfield, Missouri, with her parents. Her sister will also be there from Tucson, Arizona. Mr. Sada will take them to Reno to catch the train.

The W. W. Wade family moved from the Housing into 124 Scheelite.

Mr. and Mrs. Arch Williams returned this weekend from a two-week vacation in Colorado.

Lawson Wright's parents were up from Sun Valley, Calif., for the weekend.

J. T. Jones moved to town from the Red Houses.

## Five Graduate From Benton Grade School

BENTON—Graduation exercises were held last Friday at the Benton Elementary School for five students. Dale Hammons, the only boy to graduate, was unable to participate because his family has moved to Reno. Patricia Minaberry, Katherine Heflin, Martha Pedero, and Shirley Gardiner received their diplomas from Alton Goolsby, retiring chairman of the board of trustees.

The school was a riot of beautiful floral arrangements with corsages or boutonnieres for all those who participated in the program. Mesdames Symons, Junge, and Smith of Laws are to be congratulated for the donation and arrangement of the flowers.

The primary grades sang two songs, acapella and Marica Hunt sang Sigmund Romberg's "Will You Remember?" and Rudolf Friml's "Indian Love Call." She was accompanied by Migon Foley, pianist.

The four graduates each gave a dedicatory speech bequeathing all sorts of strange things to the classmates they are leaving.

District Attorney Ed Moran talked to the graduates about law, in a layman's language. He pointed out the facts and ramifications encountered when different types of civil actions and court suits are involved. He made it plain that our laws were to protect the innocent as well as prosecute the guilty.

Mrs. Edna Beaman wished the graduates Bon Voyage and God Speed and bade farewell to Alton Goolsby from the board of trustees and also Bob Kennedy who is leaving the teaching staff this year. She presented each with a farewell gift.

The national suicide rate is at a new low. People are so busy worrying they don't have time to kill themselves.

## Saldubehere Ships 1732 Spring Lambs Early This Week

LEE VINING—Shipped by Antone Saldubehere this week were 1732 head of spring lambs averaging 102 pounds. The average is considered excellent for this time of the year.

The livestock buyer was Holly Heath and Son of Lamar, Colo., and Chanley Bros. did the hauling. Truckloads shipped totaled six.

To date, Heath has purchased 61,000 spring lambs throughout the State of California and prices range between 23 and 24 cents per pound, highest average paid in two years. Bulk of the lambs was purchased by Heath for the Rath Packing Co. of Waterloo, Ia.

This week, Mr. and Mrs. Heath were guests at the Arcularius Ranch and it is their first trip to this particular area. They enjoyed good fishing on the Owens River and also were treated with the well-known hospitality of the Saldubehere brothers at Conway ranch.

It is the custom for friends in the area to visit the ranch after the loading and an elaborate luncheon is served outdoors, usually consisting of roast lamb, spuds

## Canasta Club Hosts End-of-Year Party

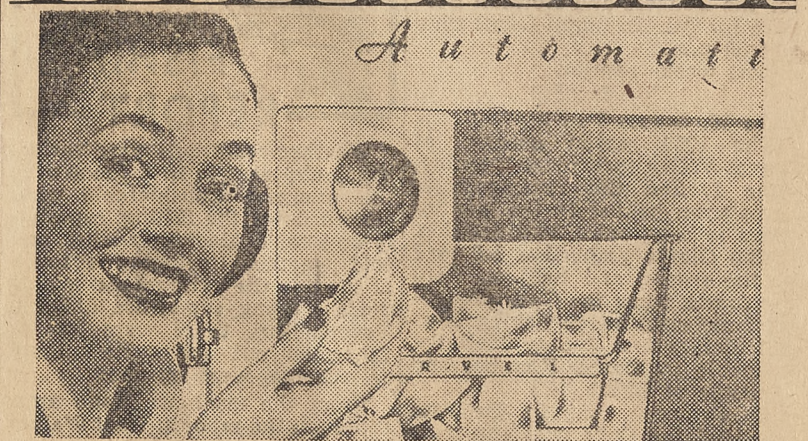

INDEPENDENCE—The Independence Canasta Club ended the year with a pot luck dinner, with husbands as guests. The turkey dinner was held at the home of Mr. and Mrs. Walter Turner last Saturday evening, June 5.

All members were present at this end-of-the-year party, including the Bill Bays, Bill Richardson and children, all of Fish Springs, the Mark Hares of Bishop, Jim Brammers, Jim Kennedys and daughter, Cecil Lewis, Margaret Loundagin, Gus Marisles, Sid Parratts, Henry Schmidt, and Lew Stulls. Other guests included Donna Parratt, Agnes Loundagin, Sharon Currier, Bill Rowan and Bill Lewis.

Canasta prizes were awarded to Clara Parratt, Erma Brammer, Esther Schmidt, Walter Turner, and Cecil Lewis.

If skirts are considerably shortened this autumn, as decreed by a Paris designer, men will have a new look.

cooked with green peppers, vegetable stew, Monterey cheese, shepherd's bread, excellent wine and coffee. Games are enjoyed after the feasting.

## Dedication of Mary Austin Marker Set for June 13

Dedication of the Mary Austin marker in Independence, has been set for Sunday, June 13. This decision was made at the regular meeting of the Inyo Writers Guild at the home of Eyo Blanding.

It was decided that the program would start shortly after four in the afternoon, followed by a tea in the garden of the Mary Austin home. The present owners of the home, Mr. and Mrs. Delk, have graciously extended their hospitality to the people of the valley and it is hoped that all those who possibly can, will come to help honor the memory of the writer who has done so much to immortalize Inyo.

It was announced that Inyo Writers Guild had received a citation from the State Federation of Women's Clubs for meritorious service in securing the marking of this historical site.

Miss Mary Cavitt, the newly-elected president of the club, presided and Mrs. Mavis Slater took over her duties as secretary. Other members present were Bernice Bonham, Dorothy Cragen, Selda Palmer, Mary Warren, Clarice Uhlmyer, and the hostess.

### ROTARY ROUNDTABLE

Bishop Rotarians participated in a roundtable discussion on the Indo-China and Far East Communism problem at their meeting Tuesday, Dr. C. L. Scott, program chairman, directed the discussion.

### STATE OF CALIFORNIA DEPARTMENT OF PUBLIC WORKS DIVISION OF ARCHITECTURE

#### NOTICE TO CONTRACTORS

SEALED PROPOSALS will be received by the Division of Architecture, ROOM 302, 1100 SOUTH GRAND AVENUE, LOS ANGELES, CALIFORNIA, up to 2:00 P.M., Wednesday, June 16, 1954, said bids thereafter on said day to be publicly opened and read for the Deep Well Pump and Hydro-Pneumatic Tank, Office and Radio Laboratory Buildings, Division of Highways, District IX, Near Bishop, California, in accordance with the plans and specifications therefor, to the entire satisfaction of the State of California.

In general, the work comprises the installation of an electric driven deep well turbine pump, hydro-pneumatic tank, piping, electrical work, and the relocation of an existing pump house.

Bids will be entertained on a lump sum basis for the Complete Work only.

PREVAILING WAGE SCALE: In accordance with the provisions of Section 1777.5 of the Labor Code, the Department of Public Works has established the minimum rate for wages applicable to the work to be done to be as follows:

Classification	Hourly Rate
Cement Finisher	\$2.70
Electrician	3.10
Laborer	2.05
Plumber	3.15
Carpenter	2.70
Any classification omitted herein not less than	2.05
Overtime—Not less than one and one-half times the above rates.	
Sundays and Holidays—Not less than one and one-half (1½) times the above rates. The holidays upon which such rates shall be paid shall be all holidays recognized in the collective bargaining agreement applicable to the particular craft, classification or type of workmen employed on the project.	

Apprentices may be employed provided they are properly indentured to the Contractor in full compliance with the provisions of Section 1777.5 of the Labor Code.

Plans and Specifications for examination are on file in the office of the Division of Architecture, Public Works Building, Sacramento; 1100 South Grand Avenue, Los Angeles; and 1531 Webster Street, Oakland, and at the principal California Cities where Builders' Exchange Offices are located.

Contractors who are desirous of securing plans, specifications, and proposal forms for the purpose of preparing and submitting proposals for this work may do so, subject to certain conditions hereinafter stated, by requesting them in writing from the Division of Architecture, Public Works Building, Sacramento.

PROPOSALS: No bid will be accepted from a bidder who has not been licensed in accordance with the provisions of the Contractors' License act, or to whom a proposal form has not been issued specifically for the purpose of submitting a bid for this project. No bid will be considered unless it is submitted on the proposal form furnished by the Division of Architecture, and accompanied by a cashier's or certified check in the sum of at least 10% of the amount of the basic bid, or a bidder's bond executed on the form attached to the proposal form.

JOINT VENTURE bids will be accepted provided each party to the venture is individually prequalified and provided further that an affidavit of joint venture is filed with the Division of Architecture prior to bidding. Affidavits must be on forms to be secured from the Division of Architecture properly filled out and attested to. Before bidding as a joint venture, the parties thereto must have or must procure a joint license from the Registrar of Contractors.

Affidavit of joint venture must be filed for each project to be bid. When parties to a joint venture wish to continue bidding jointly they should arrange to submit a combined statement of experience and financial condition for the joint venture in which case the affidavit will not be required.

No joint venture bid will be considered unless all provisions relating thereto as set forth herein have been complied with.

The Department of Public Works reserves the right to reject any or all bids, and to waive any informality in any bid received.

No bidder may withdraw his bid for a period of 30 days after the date set for the opening thereof.

## Max Withrow Lone Graduate at Keeler

Max Withrow will be the only graduate from the Keeler elementary school at exercises to be held on Thursday evening, June 10, at 7:30 p.m.

Mrs. Theodosia Carlton, Bill Hilliard and Bill Osburn, members of the school board, will be introduced and present Max with his diploma. In a traditional ceremony, the graduate will sign his name to the scroll which contains the list of graduates from Keeler school through the past years.

Speaker for the evening will be Malcolm Richland of the Inyo County Schools office. The boys and girls of all grades will have a part in the program which features soft Hawaiian music, tropical decorations and costumes. The graduation program will be a culmination of the final social studies unit and will feature especially a Hawaiian rhythm band closing the program with "Aloha."

Refreshments will be served by the Mothers' club following the program. On Friday, June 11 the school will have an excursion to Keough's Hot Springs for a picnic. The mothers are assisting in planning this and will provide food and transportation.

## 7500 Attend Annual Christian Science Meeting in Boston

Spiritual understanding alone can heal today's widespread distrust and discord and assure universal freedom and security, the Christian Science board of directors said this week in a special statement.

About 7,500 Christian Scientists from many parts of the world heard the directors' message at the annual meeting of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass.

Stressing the universal nature of spiritual understanding, the directors said that the healing promises of practical Christianity apply "to every human being and every group and nation."

Named president of The Mother Church for the coming year was William R. Knox of Boston, Mass., a Christian Science practitioner for almost 50 years. His term of office is one year.

Reports on the world-wide activities of the denomination, which has branches throughout the United States and in some 40 other

### NOTICE OF SPECIAL ELECTION

NOTICE IS HEREBY GIVEN to the qualified electors of Big Pine Unified School District of Inyo County, California, that, in accordance with the provisions of the Education Code of the State of California, an election shall be held on the 1st day of July, 1954, at the polling place hereinafter designated in this school district, between the hours of 7:00 o'clock A. M. and 7:00 o'clock P. M. (during which hours the polls shall remain open), at which election the question of issuing and selling bonds of said district in the amount of \$150,000 for the purpose of raising money for the following purposes:

- The purchasing of school lots;
- The building or purchasing of school buildings;
- The making of alterations or additions to the school building or buildings other than such as may be necessary for current maintenance, operation, or repairs;
- The repairing, restoring, or rebuilding of any school building damaged, injured, or destroyed by fire or other public calamity;
- The supplying of school buildings with furniture or necessary apparatus of a permanent nature;
- The permanent improvement of the school grounds;
- The carrying out of the projects or purposes authorized in Section 18010 of the Education Code.

The said bonds proposed to be issued and sold shall be of the denomination of \$1000 each and shall bear interest at a rate not to exceed five per cent (5%) per annum, payable annually for the first year and semi-annually thereafter. The maximum number of years said bonds, or any series thereof, are to run shall not exceed twenty-five (25) years from the date thereof or the date of such series thereof.

That for the purpose of holding said election the said Big Pine Unified School District shall constitute one bond election precinct, and the persons herein-after named, being competent and qualified electors of this school district, are hereby appointed officers of election, inspector and judges respectively, and said officers shall hold and conduct said election and make returns thereof pursuant to law. The polling place and officers of election shall be as follows:

Inspector: Mrs. Inga Stewart  
Judge: Mrs. Wanda L. Peden  
Judge: Mrs. Virgie W. Hammack

By order of the Board of Trustees this special election has been consolidated with the bond election called by this Board to be held in this school district on July 1, 1954.

IN WITNESS WHEREOF, we have hereunto set our hands this 12th day of May, 1954.

EDWARD S. HALL,  
KEN W. STEWARD,  
D. E. SIMMONS,  
JUNE ROSSI.

Board of Trustees of Big Pine Unified School District, of Inyo County, California.

## Sportsmen Fined For Violations Of Game Laws

Harry H. Case, Sr., of Lynwood, was recently fined \$50 and given a 90 day jail sentence by Judge Earle Carr, Lone Pine, for the possession of a loaded rifle in an automobile. The offense occurred on the Nine Mile Canyon road in Southern Inyo county last Nov. 15 and the defendant failed to appear in court when notified.

He was recently arrested by Wardens of the Department of Fish and Game at his home in Lynwood on a warrant issued by Judge Carr. The jail sentence was suspended on the condition that the defendant not violate any Fish and Game laws in California during the next two years.

James R. Card, of Los Angeles, recently paid a fine of \$25 in the Lone Pine Justice Court, on a charge of using an artificial light to assist in the taking of fish. He entered a plea of guilty to the charge.

The violation occurred at Diaz Lake and the Wardens state that Card was using an automobile spotlight beam cast directly upon the waters of the lake and was fishing in the area of water directly illuminated by this light.

## Annual Owens Valley Picnic Set June 13

Annual Owens Valley Picnic will be held Sunday, June 13 at Brookside Park in Pasadena. It was announced this week by John Gibson, president of the Owens Valley Picnic Association.

The annual event will be held in Section A, tables No. 1 to 18. Coffee, canned milk and sugar for all will be furnished, but those attending should bring their own cups.

Clyde Deyo is secretary of the group.

Richard H. Chase, manager of Christian Science activities for the armed services, disclosed that some 365 civilian field workers were ministering to hospitalized veterans and members of the armed services. In addition, eighteen Christian Science chaplains—three of them in Korea—were on active duty with troops.

### CERTIFICATE OF BUSINESS

#### FICTITIOUS FIRM NAME

THE UNDERSIGNED do hereby certify that they are conducting a Mining business 7 miles out of Bishop, City of Bishop, County of Inyo, State of California, under the fictitious firm name of CHIPP MUNK LEASE and that said firm is composed of the following persons, whose names and addresses are as follows, to-wit:

William L. Baudette, 1612 N. Naomi, Burbank, California.  
Charles W. Palmer, 3811 W. Alameda Ave., Burbank, California.

Floyd R. Bekins, 301 Copa De Oro Rd., Los Angeles, California.

WM. L. BAUDETTE  
CHARLES W. PALMER  
FLOYD R. BEKINS  
STATE OF CALIFORNIA )  
COUNTY OF LOS ANGELES ) ss

ON THIS 11th day of May A.D., 1954, before me Fern Felts, a Notary Public in and for said County and State, residing therein, duly commissioned and sworn, personally appeared William L. Baudette, Charles W. Palmer, and Floyd R. Bekins, known to me to be the persons whose names are subscribed to the within Instrument, and acknowledged to me that they executed the same.

IN WITNESS WHEREOF I have hereunto set my hand and affixed my official seal the day and year in this certificate first above written.

FERN FELTS  
Notary Public in and for said County and State.  
My Commission Expires July 25, 1957.  
(Pub. I.R. May 20, 27; June 3, 10, 1954.)

### INVITATION TO BIDDERS

The Department of Fish and Game, State of California will receive bids for the construction of a standard three bedroom residence, known as Residence No. 1, at the Mt. Whitney Fish Hatchery, near Independence, Inyo County, California, in accordance with the plans and specifications, until 4:00 P.M., Tuesday, July 20, 1954, the bid opening date, at Room 214, 926 "J" Street, Sacramento, California.

All the bids shall be in strict accordance with the Contract Documents and Instructions to Bidders, which may be obtained from the office of the Department at Room 214, 926 "J" Street, Sacramento, California.

The Contractor whose bid is accepted, and any subcontractor under him shall pay not less than the prevailing rate of wages for each craft or type of workman needed to execute the contract. The rates are specified in the Contract Documents.

The State reserves the right to reject any or all bids and to waive any informality in any bid. Each bid shall be accompanied by a bid bond for not less than five percent (5%) of the amount of the bid made payable to the Director, Department of Fish and Game.

SETH GORDON, DIRECTOR, DEPARTMENT OF FISH AND GAME, 926 "J" STREET, SACRAMENTO, CALIFORNIA.  
(Pub. I.R. June 10, 17, 1954.)

## Dream Came True For Five Keeler School Students

This is the dream that came true for five children from Keeler.

Three months ago the youngsters, comprising the seventh and eighth grades in their one-room school, decided it would be fun to take a trip to Los Angeles. They wondered what the city would be like.

They talked about it with their teacher, Mrs. Margaret Hall, who is sort of like a member of the family to her school's 13 students.

Mrs. Hall agreed that such a trip would be educational, but she told the children they would have to pay their own way. The Keeler school district couldn't afford it on an annual budget of \$8000.

So the seventh and eighth graders went to work. They staged a potluck dinner, sold greeting cards and cookies and solicited donations among the town's 98 inhabitants. Everybody participated.

Last Friday, with high expectations and a fund of \$108.06 the youngsters started out. Mrs. Hall was at the wheel and the students from the lower grades waved envious goodbyes from the roadside.

Friday being election day in Keeler, the school had declared a holiday, because it was to be used as a polling place.

Their weekend in Los Angeles provided all the excitement anticipated. The children visited Olvera Street, the Farmers Market, Pershing Square, the Ice Follies, Lockheed Air Terminal and the Hollywood Freeway.

They got to tour CBS Television City and stayed overnight in a hotel for the first time.

They spent half a day inspecting modern facilities at Palms junior high school, one of the city's newest.

"Some school!" exclaimed Max Withrow, 14, the eighth grader at Keeler. His companions, all seventh graders were equally impressed.

Albert Hernandez, 12, and David

### CERTIFICATE OF CHANGE OF NAME BY INDIVIDUALS DOING BUSINESS UNDER A FICTITIOUS NAME

KNOW ALL MEN BY THESE PRESENTS THAT:

WHEREAS, JOSEPH A. SCHLAPP and CATHRYN MAXINE SCHLAPP, husband and wife, have heretofore been doing business at number 269 North Main Street in the City of Bishop, County of Inyo, State of California, under the fictitious name of "Home Furnishings Company," and

WHEREAS, said Joseph A. Schlapp and Cathryn Maxine Schlapp are no longer doing business under said fictitious name, but are doing business under the name of "Schlapp's Furnishings";

NOW, THEREFORE, this certificate is made and filed by the said Joseph A. Schlapp and Cathryn Maxine Schlapp stating that they reside in the City of Bishop, County of Inyo, State of California, and are the sole owners of that certain business situate at number 269 North Main Street in the City of Bishop, County of Inyo, State of California, and conducted under the name of

"SCHLAPP'S FURNISHINGS."

IN WITNESS WHEREOF, said Joseph A. Schlapp and Cathryn Maxine Schlapp have hereunto set their hands this 18th day of May, 1954.

## State Personnel Board Schedules Exams In Bishop June 29

The Division of Highways announces that the State Personnel Board has scheduled examinations for the following classes in Bishop on June 29: intermediate account clerk, intermediate typist clerk, and intermediate stenographer.

Applications for intermediate account clerk will be accepted on June 23 only between the hours of 9 a.m. to 11 a.m. and 4 p.m. to 6 p.m. at the Dept. of Employment, 168 West Line Street, Bishop. Applications for the typist and stenographer tests may be filed from June 23 through 25, at the Dept. of Employment.

In the happy land of Congo, wives are bought on the installment plan, and a man gets rid of one by the simple expedient of allowing his payments to lapse.

Stark, 13, was especially interested in the woodshop.

Glenda Coburn, 13, acted as spokesman for the group and Anderson Peneau, 12, was the official bookkeeper.

"I'm getting a kick out of it, too," stated Mrs. Hall. "We'll need time to catch our breath, but we'll have a lot to talk about when we get home," she added.

Although the children differed on what they liked best in the city's myriad of wonderful things to do and see, they agreed on one point:

They wouldn't trade their one-room schoolhouse for any of it.

### NOTICE TO CREDITORS

No. 2932

In the Matter of the Estate of M. R. COFFEE, also Known as MERLE R. COFFEE, also Known as MERLE ROBERT COFFEE, Deceased.

NOTICE is hereby given by the undersigned, Pauline Coffee, as administratrix of the estate of M. R. Coffee, also known as Merle R. Coffee, also known as Merle Robert Coffee, deceased, to the creditors of and all persons having claims against the said decedent, to file them, with the necessary vouchers, within six months after the first publication of this notice, in the office of the clerk of the Superior Court of the State of California in and for the County of Inyo, or to present them, with the necessary vouchers, within six months after the first publication of this notice to the said administratrix at the law office of Willis Smith, in the Cornell Building, Bishop, Inyo County, California, which last named place the undersigned selects as her place of business in all matters connected with the estate of said decedent.

Dated at Bishop, California, May 20, 1954.

PAULINE COFFEE

## Haiwee Trail Repaired; Crew on Olancha Project

A 10-day project on the Haiwee canyon tourists and stock-drive trail was completed last Friday by the Inyo county-Forest Service cooperative trail crew.

The board of supervisors made the trail work possible by appropriating \$600 for the Haiwee trail as well as the Olancha and Cottonwood trails.

These funds are used to pay the salaries of the crew, while the Forest Service furnishes supervision, blasting powder and tools. Packing to the base camp, well up on the trail, was volunteered by John Pierce and Bill Carrasco of Lone Pine.

The four-man crew consisting of Foreman Fred Moore and Eldon French, Lloyd Shepard and Charlie Summers moved to the Olancha trail project Monday. Horses and mules and packers to take the crew and supplies to the crest were contributed by Russ Spainhower, John Pierce, Mark Lacey, Bill Thornburgh, George Brown and Bruce Morgan.

Bill Carrasco and Dugan Hanson packed in the two mule strings. The crew will spend two weeks on this trail clearing off large boulders and fallen trees and rebuilding collapsing retaining walls on some of the key switchbacks.

Another job will be the clearing on what they liked best in the city's myriad of wonderful things to do and see, they agreed on one point:

## More Money Needed to Keep Schools Going Next Year

The education of 135 high school pupils in the Lone Pine union high school district, 330 pupils in the Lo-Inyo elementary school and approximately 30 in the Keeler elementary school during the coming school year would be seriously hampered if tax rate increases are not voted.

That was the warning voiced by officials of the three school districts this week when they pointed out the needs in the schools which must be met next year.

Lo-Inyo elementary school, which will have construction started this summer on four new classrooms to take care of the increased enrollment, will have to have the maximum tax rate upped to \$1.65 per \$100 assessed valuation to provide the minimum amount of instruction and facilities, according to figures assembled by the board of trustees.

In the high school district, a drop in estimated income at the present tax rate makes it necessary for the board to ask that the maximum tax rate allowed under school laws be increased to \$1.35.

A recent meeting, attended by representatives of organizations and communities within the high school district, found a substantial majority of those attending favoring such an increase.

At Keeler, the estimated income from all sources under the present tax rates would fall by nearly \$1,700 of raising sufficient funds to operate the one room school during the coming year.

As a result, the board of trustees has asked the voters to approve an increase in the maximum school tax rate to \$1.25.

The special elections to consider the increases will be held in Keeler on July 6 and for the other two districts on July 16.

## INDEPENDENCE

Dolores Lamb

Dolores Lamb, the Independence correspondent, is on a brief vacation. While she is away, Bud Lamb will write Independence news items. All those who have news are asked to call 5116 after 5 p.m. or on weekends during the time the regular correspondent is away.

Mrs. Maxine Cohen was honored at a surprise stork shower by the Coffeehouse Bridge Club at the meeting last week. The locale was the Eckert cabin at Seven Pines, as Mrs. Zoe Eckert was acting as hostess. All the members joined in on a gift for Maxine, who was quite a surprised honoree. Mmes. Florence Abbott, Vesta Bell, Winifred Chandler, Grace Cox, Mary DeDecker, Rita Heron, Barbara James, Grace Randolph, Jackie Riesen, Nadine Vaughn, Josephine Baxter, and Gloria Mairs were present. Bridge prizes went to Mrs. Chandler, first, Mrs. Cox, second, and Mrs. Baxter, low. Cake and ice cream were served the guests.

Bill Leiby, a former resident of the county seat, and now living in Tujunga, was in town for several days last week. He took over the butchering duties for Johnny Paul at Mairs Market for a couple days while the latter enjoyed a short trip.

The Mal Richland family spent last weekend in the southland. Mrs. Oma Kennedy and two children of China visited the Jim Kennedy family here at Mt. Whitney Hatchery last weekend. Jim Kennedy returned to that area with her for a visit.

The Dave Wards enjoyed a visit from Mr. and Mrs. Paul Schowalter and Don of Upland last weekend. They all enjoyed visiting Mr. and Mrs. Bill Harris of Benton. Mrs. Ward also enjoyed a visit from the Schowalters.

Mr. and Mrs. George Bruley and family had Mr. and Mrs. Gordon Teuber and three sons of San Pedro as guests last weekend. Don Cornelison of Rivera also was a visitor of the Bruleys, while he spent the weekend here.

Mr. and Mrs. Bill Bay drove their son, Bob, to Reno last weekend where he boarded a train to continue on to a base near Oakland. He will leave from there shortly to serve 18 months foreign duty in Japan.

Clyde Johnston of Los Angeles was a recent guest at the home of Mr. and Mrs. Vic Taylor. The Taylors also enjoyed spending the last weekend in Onion Valley.

Mr. and Mrs. Sol Brantz and son Eddie have left for Los Angeles, where they will spend the summer months.

Mr. and Mrs. Ben Ashworth have his parents, the Fred Ashworths of Boston, as guests again for awhile. They were visiting the past few weeks in San Diego.

Shirley and Jimmy Ashworth traveled to Fish Springs last Saturday to enjoy Monte Richardson's sixth birthday party, at which there were 27 children present.

Lone Pine and Diaz Lake were the locations for a baptism last Saturday conducted by Vernon Miller. William Cooney, visiting here with the Harry Miller family, from his home in Seattle, was baptized. Several other missionaries, and Harvey Jorgenson, also were present at the event.

Sunday little Danny Cooney received a christening ceremony in Lone Pine. Present were his parents, Mr. and Mrs. William Cooney, Vernon Miller, Mr. and Mrs. John Zucco and daughters and Mrs. Lee Wilder of Lone Pine.

Harold O. Carter returned to his home here last weekend after spending some time in the southland.

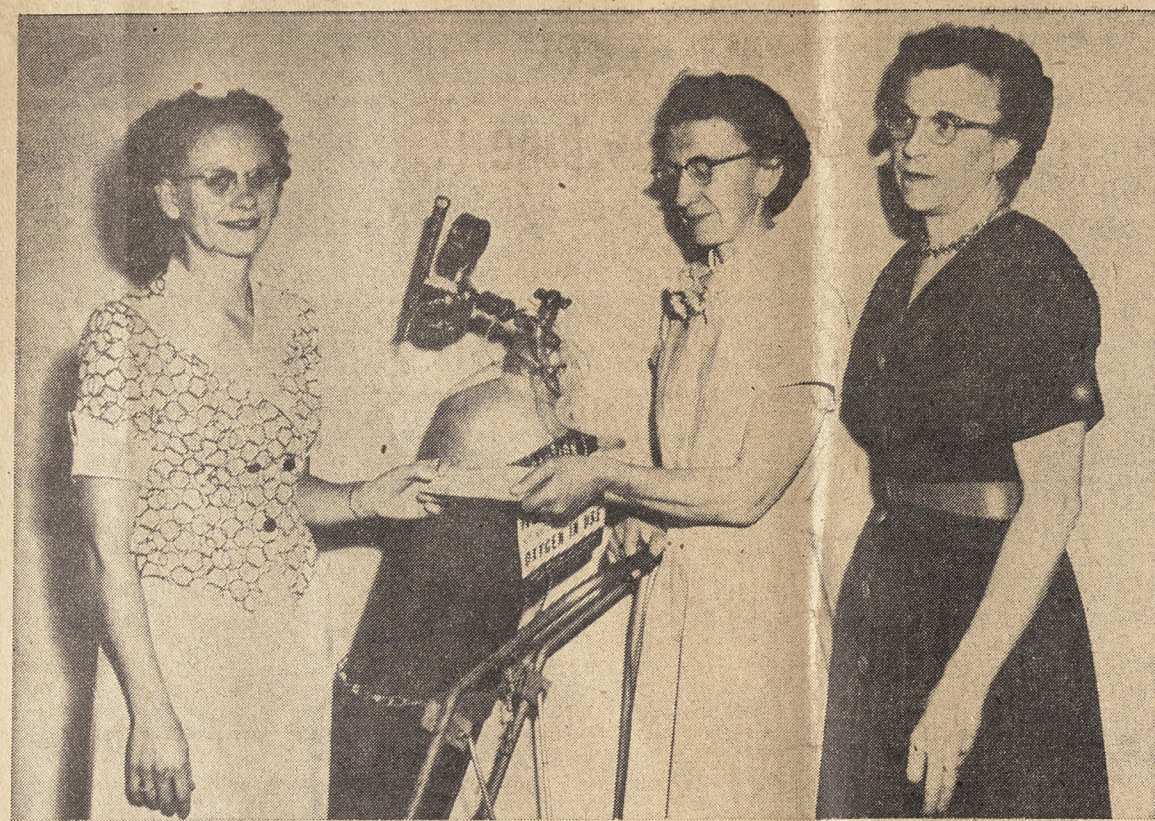

Mr. and Mrs. Bud Abbott, Connie and Mark, of East Los Angeles, spent last weekend here with his parents, the Wells O. Abbotts. They returned to their home Monday evening.

Mr. and Mrs. Wells O. Abbott visited Dr. and Mrs. Raymond Selle in Fillmore last week. They were the guests of the Selles for the day, and also saw Bud and Lenore Harper, former residents of Independence. Bud is now working at the State Fish Hatchery at Fillmore, and Dr. Selle is a professor at Occidental College.

Mr. and Mrs. Emery Little are enjoying an extended visit from Maudie's sister, Mrs. Grace Schurz, of Orlando, Fla.

Mrs. Mary Mitchell spent several days last week in Barstow with Mr. and Mrs. A. L. McKay, who had visited her here for a couple days last week, and she returned to their home with them.

Miss Elsie Lockridge and Miss Grace Lockridge were hostesses at a refreshment gathering following the baccalaureate services at

## Auxiliary Gives Hospital \$250

American Legion Auxiliary Inyo Unit 118 presented the Northern Inyo Hospital with a check for \$250, the first contribution toward covering the expense of piping oxygen to every room in the hospital.

The total estimated cost of the project is \$1500. When completed, the oxygen will be available through one outlet in each room, in the operating room, and in the nursery. Two outlets are contemplated for the nursery, to care for premature babies.

"This piping will eliminate the necessity of wheeling the 1400-pound tanks of oxygen from room to room and will save vital seconds now used in changing tanks," explained Mrs. Lillian Meacham, auxiliary chairman of the fund raising.

The initial check was presented to Alfreda Cockrell, hospital administrator, by Mrs. Meacham and Mrs. William Burch, president of the auxiliary unit.

Cooperating with the auxiliary on this project is the American Legion Post 118 of Bishop. Assistant, Mrs. Meacham and the committee are Opal Miller and Margaret Meinke.

Mr. and Mrs. Robert Godana of Seattle stopped by to visit Mr. and Mrs. Charles Kispert, on their way to San Francisco.

The Jack Riley family had Mr. and Mrs. Earl Lander and sons of Los Angeles as guests last weekend.

Mr. and Mrs. Clarence Johnson and Billy left last Sunday for Los Angeles and then on to their home in Boulder City after a ten day visit with the Bud Kilpatrick family and other relatives.

Guests last Saturday also of the Kilpatricks were Mrs. Cleo Hardin and son of Phoenix, Ariz., and Mr. and Mrs. Lee Davis of Hawthorne.

The Paul Lively family entertained Mr. and Mrs. Lester Harrison and sons of San Antonio, Tex., last weekend. Mr. Harrison and Mrs. Lively are brother and sister. Also a guest was Mrs. Lively's mother, Mrs. Harrison.

Vernon Miller, Mr. and Mrs. Bill Cooney and Mr. and Mrs. Johnny Zucco visited in Saline Valley last Sunday.

Mrs. Hetty Tarr, Diane and Steve, of Hanford, are spending the week with the J. B. Mitchells.

Miss Jean Nilius, who has been spending her three week vacation with the Martin Nilius family, returned to Los Angeles Tuesday.

Mary Lou Gantt is enjoying her vacation with her parents, Mr. and Mrs. Clarence Mason and family, in Tecopa.

Mr. and Mrs. Homer Taylor left last week on a trip to Iowa.

Mr. and Mrs. Bill Poole and Mrs. Elva Bell attended the baccalaureate service in Lone Pine Sunday afternoon.

Mr. and Mrs. Jim Olds, Mary Ellen, and Mrs. Ruth Porter, all traveled to Provo, Utah, last weekend to bring home Lillis Olds, who attends Brigham Young University.

Mr. and Mrs. Phil Bertsch and Gary and Steve are now making their home in Lone Pine.

Mr. and Mrs. Bill Aseltine spent a few days this week at Mammoth.

CARD OF THANKS  
I wish to express my most sincere appreciation for the many cards and good wishes received from my friends during my recent illness.

ANNA P. MATES

★ CHECK FOR HOSPITAL—Pictured above accepting a \$250 check from the American Legion Auxiliary Unit 118 is Mrs. Alfreda Cockrell (center), administrator of Northern Inyo Hospital. The check is to go into a fund for use in piping oxygen to the hospital rooms. Shown presenting the money are Mrs. Lillian Meacham (right), chairman of the project, and Mrs. William Burch (left), president of the Auxiliary unit.

## Independence Group To Attend Annual Methodist Conference

The 104th session of Southern California-Arizona Annual Conference of the Methodist Church will be held from June 14-20 at Redlands University, with Bishop Gerald H. Kennedy of the Los Angeles area presiding.

Rev. Eugene E. Bell, ministerial member, accompanied by Mrs. Bell and son, Bruce Wesley, and D. F. Sellers reserve lay member of Pioneer Memorial Church, Independence, accompanied by Mrs. Sellers and son, Lee, will attend the entire session.

Pioneer Memorial Church last Sunday evening. They entertained the entire senior class and guests at the Lockridge home.

The Frank Lockridge family will be enjoying a visit from Mrs. Infidia Ivey of Lone Beach. Mrs. Ivey is Bruce Ivey's grandmother, who is going to be present at Elsie's graduation and then remain for the wedding. Miss Lockridge will become the bride of Bruce Ivey June 19.

Mr. and Mrs. Robert Godana of Seattle stopped by to visit Mr. and Mrs. Charles Kispert, on their way to San Francisco.

The Jack Riley family had Mr. and Mrs. Earl Lander and sons of Los Angeles as guests last weekend.

Mr. and Mrs. Clarence Johnson and Billy left last Sunday for Los Angeles and then on to their home in Boulder City after a ten day visit with the Bud Kilpatrick family and other relatives.

Guests last Saturday also of the Kilpatricks were Mrs. Cleo Hardin and son of Phoenix, Ariz., and Mr. and Mrs. Lee Davis of Hawthorne.

The Paul Lively family entertained Mr. and Mrs. Lester Harrison and sons of San Antonio, Tex., last weekend. Mr. Harrison and Mrs. Lively are brother and sister. Also a guest was Mrs. Lively's mother, Mrs. Harrison.

Vernon Miller, Mr. and Mrs. Bill Cooney and Mr. and Mrs. Johnny Zucco visited in Saline Valley last Sunday.

Mrs. Hetty Tarr, Diane and Steve, of Hanford, are spending the week with the J. B. Mitchells.

Miss Jean Nilius, who has been spending her three week vacation with the Martin Nilius family, returned to Los Angeles Tuesday.

Mary Lou Gantt is enjoying her vacation with her parents, Mr. and Mrs. Clarence Mason and family, in Tecopa.

Mr. and Mrs. Homer Taylor left last week on a trip to Iowa.

Mr. and Mrs. Bill Poole and Mrs. Elva Bell attended the baccalaureate service in Lone Pine Sunday afternoon.

Mr. and Mrs. Jim Olds, Mary Ellen, and Mrs. Ruth Porter, all traveled to Provo, Utah, last weekend to bring home Lillis Olds, who attends Brigham Young University.

Mr. and Mrs. Phil Bertsch and Gary and Steve are now making their home in Lone Pine.

Mr. and Mrs. Bill Aseltine spent a few days this week at Mammoth.

CARD OF THANKS  
I wish to express my most sincere appreciation for the many cards and good wishes received from my friends during my recent illness.

## Lee Vining

... by EDNA ZUNINO

Did I say "What is so rare as a day in June"? I should have said instead "What is so rare as SNOW in June" Yes siree! One half inch covered the grass Sunday morning. The wind blew hard steadily for 24 hours, some say longer. Lawns were strewn with limbs and leaves. Most of the shrubs and tender garden plants survived, but how is a mystery. All is calm, still and beautiful now. Truly "The land of the sky blue water." The only damage reported was ruffled feelings, hysterical tempers and sand in and on everything.

The most interesting happening at "Casa Del Vista" the past week was the arrival of four baby kittens. A stray mother cat, gray, with soft green eyes visited us recently and decided to stay awhile. She chose a strange place for her "blessed event." A large, round Mexican pottery jar above the barbecue pit, which she turned down on the side so the sun could shine in it. It made an ideal shelter during the recent wind and snow storm. The babies and mother are doing well.

Residents of several years ago, Mr. and Mrs. Guy Hargraves, from Susanville, stopped Friday to ask about old friends. Guy was employed at the Log Cabin mine.

A new resident is Garnette Ettee of Reno. He is employed at the Donut Kettle. He likes to fish but is not having very good luck lately, he says.

Well known former residents, Don and Ella Lee, now on vacation, write from Ships Point, Funny Bay, Vancouver Island, B. C. in Canada. "Enjoying Canada very much, been fishing in Funny Bay, Union Bay off Denman Island."

Have picked many gallons of oysters, smoking some today, also spring salmon and rock cod in limited amounts. Spring is late here. "Greetings to all."

Mr. and Mrs. Charlie Adair were in Bishop on business Monday.

Leonard Cooper, owner of Virginia Lakes resort, came up a month ago to put the resort in order for the opening of the season. He was joined recently by Mrs. Cooper and the children. Mrs. Cooper spent the winter in Yuma, Ariz.

Mr. and Mrs. D. W. Pratt of Redondo Beach returned last week for the season. They have a trailer on Lee Vining creek.

Troy Posey is in Sacramento a few days on business.

Jimmy Sam passed away on Sunday, June 6th, at Mono county hospital, at Bridgeport. He is the son of Mr. and Mrs. Frank Sam. He was employed by the Calif. Division of Highways. Funeral services were held at the Lee Vining, Community church Wednesday, followed by interment in the Mono Lake cemetery. Sympathy is extended to the Sam family by the entire community.

Mr. and Mrs. A. D. Posey and the Carl Cecils dined at Sink's cafe Friday evening. It was a joint celebration—the Cecils' 10th year in business in Lee Vining and A. D.'s birthday.

Fred Hall, Fred Wadley, Clifford Donnelly, P. A. Goforth and Art Durant attended the University of California Extension course in Engineering, held in Bishop last Friday and Saturday.

Mrs. Maude Field and Mrs. Fred Dady made a business trip to Reno Friday.

National Park Service Ranger, Mr. Gamble, visited Ranger W. L. Keene at Lee Vining Ranger station Monday.

Mrs. Rea Schutt of Crestview Lodge is leaving Friday to attend a pep meeting for Woodcraft Lodge 759 in Santa Maria.

Juanita Palmer returned last week from a visit with her mother in Los Angeles. Juanita is employed this season at Crestview Lodge by the Ray Schutts.

Principal of Lee Vining Elementary School, Howard Oxley and Charles McIntire, principal of June Lake school, and the graduating class of 1954, namely, Linda Kay Campbell, Marsha Seymour, Arlie Mae Bell, Delores Mae Lundy and Patrick Firth-Smith, enjoyed a graduation banquet at Mono Inn Thursday evening.

Tables had artistic arrangements of flowers in the class colors, white and green. Mrs. Don Campbell baked a beautiful birthday cake for her daughter, Linda Kay, which Linda shared with the class and guests.

An informal dinner party in honor of the Gene Swains was held at Mono Inn Sunday evening. Those attending were: Mr. and Mrs. Victor Parantick, Mr. and Mrs. Augie Hess, Mr. and Mrs. Larry Hess, Mr. and Mrs. Charlie Adair, and Mr. and Mrs. Lorin Odell. The Swains left for Reno Monday. Mrs. Swain will visit her mother, Mrs. Wesley Ayers, while Gene goes on to Indiana to prepare a home for her there near his folks. We are sorry to lose the Swains as residents, but wish them well in their new environment.

Mr. and Mrs. Henry White of

## Altar Society Plans Potluck Dinner

Santa Rosa Altar Society, Lone Pine, met at the hall Tuesday, June 5, to plan for June activities.

A potluck dinner is planned for later this month, and further details will be announced later.

The vacation school, to be conducted by the Sisters of the Holy Family, will begin at the hall June 14. Classes will continue for two weeks.

Refreshments were served to the members by the hostess.

Los Angeles are guests at Mono Inn. They fished Lundy Lake with pleasing success. Mr. White is manager of the Santa Barbara Western Avenue Branch of the Bank of America. The Whites entertained Mr. and Mrs. Jack Collins of Alpine Village, Lee Vining, and Mrs. Venita R. McPherson at dinner Sunday evening at the Inn.

Mr. and Mrs. Otto Sweetser are again in charge of the California Electric Power headquarters camp, for employees on vacation this season which will last until sometime in October. Recent guests who have visited the camp are:

Mr. and Mrs. Wayne Loomis and sons Donnie and De Wayne, Mr. and Mrs. Marwin Johnstone all of Riverside. They spent Memorial Day weekend at camp. Guests the past week were G. R. Fischer and party, San Bernardino, and Mr. and Mrs. L. W. Harms, Riverside.

Caletric is now building a new, modern duplex house at the headquarters camp for use of company employees on vacation. It is a beautiful location.

Memorial Day weekend guest of Mr. and Mrs. Dave Sheltren at Cain ranch were: Major Charles Yeager and sons, Capt. Gus Jules and Rusty Rath, test pilot, all of Edwards Air Force Base, and Mr. and Mrs. John De Pry of Ontario, and Mr. and Mrs. George Sheltren of Pomona. Mrs. Dave Sheltren accompanied the George Sheltrens on their return trip to Pomona for a few days visit.

The annual class closing party and program for the primary grades was held in Mrs. Gene Hasty's room at the Lee Vining Elementary school Wednesday afternoon. The pupils honor their parents on this occasion. They made corsages for their mothers and cooked the refreshments themselves.

Mrs. Albert Sylvester assisted Mrs. Hasty in serving their guests, Mono county Super of Schools, Heitlie Wolzak, Terese Mosere, and Betty Smith, all of Bridgeport, and parents.

Mr. and Mrs. W. L. "Ed" Keene were dinner guests of Mrs. Venita R. McPherson at Mono Inn Wednesday evening.

Mr. and Mrs. Dick Ayers moved to Pasadena last week.

Lee Vining High School closes its doors this Friday for the academic year.

Mr. and Mrs. C. Gerald Hasty leave next Thursday for a short vacation in Palo Alto and San Francisco.

## Summer Fire Restrictions Are Now in Effect

Due to increasing fire hazards on the Inyo National Forest's range and timber lands, brought on by the recent dry hot weather, Forest Supervisor W. S. "Slim" Davis has found it necessary to place the usual summer-time fire prevention restrictions into effect immediately.

The heavy influx of recreationists has greatly increased the chances of fires starting, and coupled with the dry forest fuel conditions, has given forest protection agencies cause for concern. "The Forest already has been threatened by three fires, one of which caused considerable damage to stream bank cover. All of them were man-caused, and emphasize the need for requiring greater care with fire by forest users," said Davis.

"By invoking the fire prevention restriction at this time will serve to tip up the need for great care with fire in the woods and on the range and will underscore the specific acts that forest visitors should guard against in order to avoid starting forest fires."

"For this reason," states Davis, "the following restrictions must be observed by all users of the Inyo National Forest as of this date."

1. No campfires may be built without obtaining a campfire permit beforehand. Rules on the campfire permit must be followed.
2. Smoking is prohibited except while stopped in a clearing at least 3 feet in diameter or at campground or place of habitation or in a car on a road. Special areas of high fire hazard where smoking is prohibited are always posted to that effect. Be sure to use caution in discarding burning tobacco, making certain it is thoroughly extinguished.
3. Placing or throwing any burning substances where it may start a fire is prohibited. This applies particularly to discarding cigarettes, pipe heels and cigars. Discharging fireworks is prohibited.

## A NEW BOOK

By WILLIAM CARUTHERS, Author of "LOAFING ALONG DEATH VALLEY TRAILS" Will Be Ready in July—The Title Is:

## "Life's Grand Stairway"

It is the story of man, his gods, his gold and his women on the way up from the ape. Ask your dealer to reserve your copy. The book is a collection of odd, interesting or historically important events that have interested the author and will interest you.

It deals frankly but without offense with the two urges without which no life could exist: the sex urge and the urge for food. It may be opened at any page and read forward or backward with interest and like his former book there is not one dull page. It was written not to educate but to entertain. A chatty, friendly book that you'll read again and again and give to special friends. Reserve your copy direct if you prefer but send no money until notified. The Price: \$4.25.

From where I sit... by Joe Marsh

### Wise Stepmother

Have you heard about young Skeeter Roberts' unusual pet, the tame owl "Blinky"? He's had her about three years.

I say "her" because up to a couple of weeks ago nobody was quite sure. But now "Blinky's" a mother—of two chicks!

Seems "Blinky" had been acting kind of strange—so on a hunch, Skeeter put a couple of hen's eggs in her nest. Darn if "Blinky" didn't set on them for 5 days! Last Friday they hatched, and now "Blinky's" as proud as a mother hen! (So's Skeeter.)

From where I sit, there's a lesson for all of us. Guess you'd call it "tolerance." Birds and animals often seem to do better in that respect than humans. If I like a glass of temperate beer with supper and you'd rather have cider—it should be okay with both of us. Neither of us should give a "hoot" what the other fellow likes, says, or does, as long as he follows the law of the land. Right?

Joe Marsh

## OLANCHA NEWS

By Wilma Fouch

In honor of the eight graduates of Olancha School, a dinner was held at Sierra Cafe June 4, after which the whole group attended the show. Those attending the dinner were Mr. and Mrs. Wesley Newman and Jimmy of Big Pine; Mr. and Mrs. Mark Lacey and John, Mr. and Mrs. George Du Fault, Arlene and Jo Anne; Mrs. Crayton Caffee, Barbara and Les; Mrs. John Wallace, Margaret and Rosalie, Mr. and Mrs. Don Hall and Kathy; Mr. and Mrs. W. R. Hollenberg, Mary, Carol and Jim; Mr. C. C. Hollenberg of Granada Hills; Mrs. Earl Lester, Doug and David Cheek; Sandra Liddell, Mrs. Joseph Baker; and principal Edward Ruxton III. The eight graduates are: David Cheek, Jim Newman, Barbara Caffee, Arlene Du Fault, Margaret Wallace, Mary Hollenberg, Kathy Hall and Sandra Liddell.

Graduation exercises were held Monday evening at the school. William Bauer of Lone Pine addressed the group.

David Cane returned home last Wednesday, and is recuperating very nicely, though he still has to stay abed for several weeks. On Tuesday, the Boy Scouts held a picnic and cake sale at the schoolhouse for his benefit.

Recent visitors at the Leslie Lynn home in Cartago were Mr. and Mrs. LeRoy Cline and family of Bishop; Dr. Riley of Del Mar and Mr. Petersen of Corona. Tuesday evening, Mr. and Mrs. Stephen Zilow, Mr. and Mrs. Jack Castner were visitors. Mr. Zilow entertained by singing, and Mrs. L. Silvas of Cartago sang Spanish songs for the group.

Mr. and Mrs. Leslie Lynch of Truth or Consequences New Mexico have been spending some time at their mining claim in Oak Creek Canyon, adjoining the Jim Lynch claims. The Leslie Lynchs formerly had Cose Hot Springs, and are interested in gaining release of the property from the Navy. They plan to move to this community by next year, where they will work the mining claim, since both Lynchs have received encouraging reports on assays.

The last get-together of the season for the card club was held last week at the Fred Byl home. Mr. Byl, whose birthday fell on that day, was pleasantly surprised by a decorated cake, gifts, and serenade by the group.

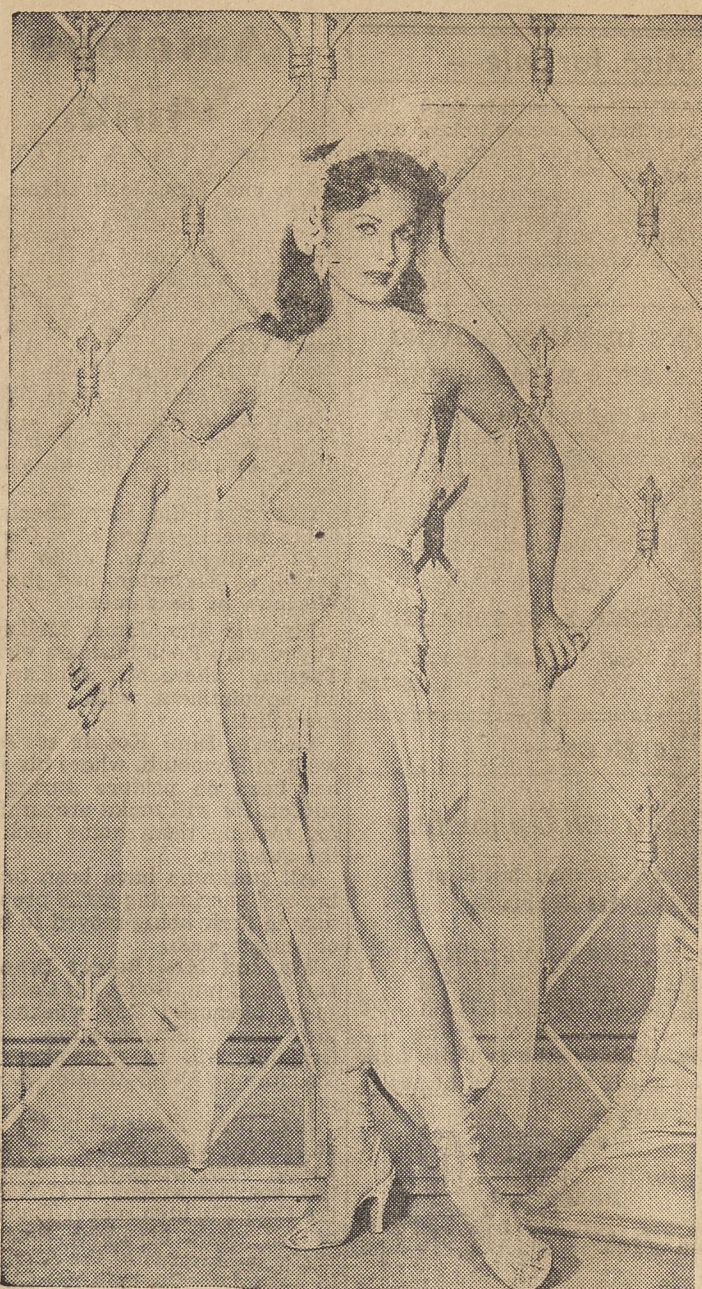

### Independence Order Of Rainbow Girls To Add Member

Independence Assembly No. 114, Order of Rainbow for Girls, met in Independence Masonic Hall on Wednesday evening, June 2. Worthy Associate Advisor Sally Lutzow presided in the absence of Worthy Advisor Winky Christenson.

It was announced that initiation for Kathy Hall would be held at the next meeting, June 16. Practice for this ceremony will be held next Sunday, June 13.

Additional receipts from the Duncan Hines breakfast were announced as \$135.

The Majority Degree was given for Jean Nilius.

★ COMING TO BISHOP—Beautiful Rhonda Fleming plays the role of "Roxanna" in Universal-International's Technicolor "Yankee Doodle" which will be shown at the Bishop Theatre Sunday and Monday, June 13 and 14. Jeff Chandler plays the part of "Star-buck," frontiersman-adventurer, in the forthcoming movie.

Mr. and Mrs. Aaron Proper returned Friday after being at Gabbs, Nevada, and Bishop, in attempt to locate work.

Who has seen the wind? Neither you, or I. On Thursday it came from south, Friday southeast, and southwest, a blow which really was the height of something or other. Light required at 4:30 because of the desert fog. Saturday the wind switched to northwest and was cold; played havoc with several trees, a large limb fell in driveway which required the combined efforts of Ben Grossardt, son Joe, and truck to move. Sunday the sun was visible and housekeepers rallied only to have breezes again Monday.

Mrs. Dorothy Chewings, daughter and son, came from Independence Monday to call on Mrs. Hilberman and late afternoon saw Mrs. M. E. Marsh and Mrs. Maule Marsh doing likewise.

At last meeting of Keeler Women's club it was voted to give two subscriptions of Progress-Citizen to the men and women inmates of the County Farm at Big Pine. Books and magazines appreciated and desired.

Mrs. G. Hernandez and Mrs. Frank Pedneau went to Independence Thursday.

Mrs. J. L. Hilliard and Helen went to Bishop Friday and Sunday.

Andrea Pedneau and Glenda Coburn attended 8th grade graduation at Olancha Monday evening as guests of Mrs. Don Hall and daughter.

Monday three truckloads of limestone were weighed at Sierra Talc. Dolomite lessee took said material from a mine near Swansea and it is to be taken to Los Angeles for grinding and then used on roofing.

Nick Hellares was transferred from Radar Station last Saturday, but didn't know where he was to go.

Don Jones and L. J. Miller have traded houses and thereby hangs a long tale.

Alvin Mullis brought Mrs. Lora Crotts home Monday from Lynwood, and then continued on to Bishop.

Tuesday began gray, rain clouds in the Sierras but wind broke into cloudlets, a few drops reached us here between 2 and 3 o'clock.

## Largest LPUHS Class To Get Diplomas June 11

The largest graduating class in the history of Lone Pine high school will receive diplomas Friday night, June 11, at the 34th commencement exercises to be held in the school auditorium.

Thirty students, including eight girls and 22 boys, will include their high school careers when they receive diplomas from Theron Pitts, president of the high school board of trustees.

They are Joanne Louis Ayers, Lester Bellas, George L. Brown, Manuel Ceballos Jr., Luella Fay Christenson, Patricia M. Corbett, Frederick Glenn Coburn, Frederick Resendo Gamboa, Joan Emma Hill, Jerome S. Hjeltness, John J. Huerta, Louis Robert Jobin, Gerald David Lewis, Charles Arnold Mates, Ernest Meza Jr., Aurora Mojarrero, Mary Grace Mojarrero, Raymond Vincent Montes, Albert Bobby Munis, Joseph C. Napoles, Blaine Ray Paetsch, Bernardine Ray Petersen, Dale Patrick Pitts, Robert Michael Soha, Catherine Marie Stone, Ray Sweat, Philip Henry Wallace, Gerald Monroe Whorton, Thomas Warren Withrow and Walter Harold Yahn. The commencement exercises will open with the "Star Spangled Banner," followed by the processional.

Blaine Paetsch, who was student body president last fall, will lead the salute to the flag.

There will be two salutations, Joanne Ayers and Gerald Lewis. They were selected on the basis of grades during their high school career and were tied in their averages.

Luella Christenson, top honor student in the class, will present the California Scholarship Federation emblem to the student in the junior class with the highest scholastic average.

Miss Christenson, who is also valedictorian of the class, will then make her address.

District Supt. William Bauer will present the members of the class.

School Board President Pitts will hand out the diplomas after which the class will sing "Hail, Alma Mater" and the entire audience will sing "America."

Following the exercises, mothers of the students in the junior class will serve refreshments in the quad.

The commencement program will start at 8 p.m.

### Lo-Inyo Elementary School News

Parents of students at Lo-Inyo Elementary School are reminded that the public flag raising and community sing to be held this morning (Friday) on the school lawn at 8:45.

The students will gather on the lawn to salute the flag for the last time this semester. After the flag has been raised, the entire student body will join to sing several songs for their parents and the teachers.

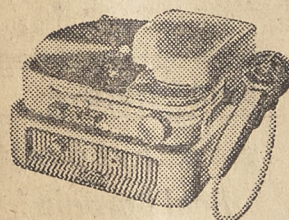

Members of the kindergarten, first, second, and third grade classes of Mrs. Blanche Gregg, Mrs. Beatrice Meyer, and Mrs. Mary Pitts gathered at Roadside Park Tuesday morning, June 8. Each child brought his or her own sack lunch and the room mothers and teachers, supplied surprises.

The sixth and seventh grades, members of Mrs. Mavis Slaytor's class had a hay-ride, last Saturday, June 5. The pupils enjoyed the ride to the dry-lakes, as well as the hot-dogs and marshmallows which they roasted over an open fire. Chaperones were Lucy Brichaga, and Mr. and Mrs. Bill Slaytor.

registered before the opening day. The N.Y.P.S. Service at 6 p.m. will be led by Gale Denny.

The evening evangelistic service at 7 p.m. will include a Songfest, special music, and a message by the pastor from the subject: "God's All-Seeing Eye."

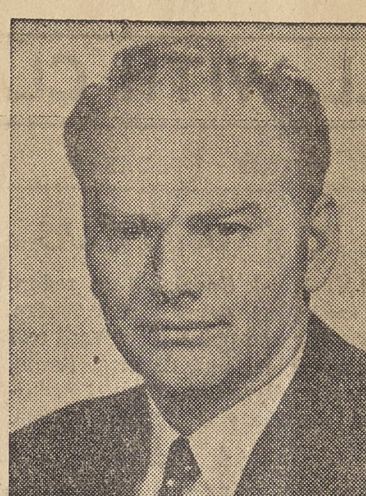

### Make light work of writing work with AUDIOGRAPH

Slowed down with cumbersome, involved dictation methods? With the light, compact and electronic GRAY AUDIOGRAPH, soundwriting memos, reports, correspondence is so easy it's a pleasure! Nothing to adjust. Just a flick of the finger and you're set! One featherweight and reusable disc holds over an hour's dictation.

Chalfant Press

BISHOP - LONE PINE

★ ELECTED—Francis Lindsay of Loomis, a Republican, will retain his seat in the California State Assembly as a result of the elections Tuesday. He defeated another GOP rival, Clarence Stoves of Pilot Hill, for both the nominations. Inyo and Mono counties are included in Lindsay's district.

### Lone Pine High School Has Senior Week Activity

Senior Week Activities began last Sunday for all graduates of Lone Pine High School when they attended the Baccalaureate exercises held on the lawn of Trinity Memorial Church. Richard Oyler was in charge of the arrangements for the community churches' program.

Rev. Sydney Allen of the Seventh Day Adventist Church welcomed the group, and Father Jeremiah Keane of Santa Rosa Catholic Church gave the invocation.

Following a Scriptural reading by Rev. Telles Shamblin of the Nazarene Church, Capt. Luther Williams of the Trinity Memorial Church and Richard Oyler of the Latter Day Saints Church spoke to the seniors.

Rev. Arthur Prior of the Assembly of God delivered the benediction.

Class Night activities were held Wednesday evening at the high school.

This morning at nine a.m. members of the Senior class gathered at Carl's Sierra Cafe for their traditional breakfast. Mothers of students in the class were responsible for the planning. Guests included Mr. and Mrs. Donald Conde and Mr. and Mrs. William J. Bauer.

Tonight at 8 p.m. graduation exercises will get under way for thirty members of the class. The commencement program will be held in the high school auditorium.

Salutatory addresses will be given by Joanne Ayers and Gerald Lewis, and Luella Christenson will deliver the Valedictory.

Following the presentation of the class by William J. Bauer, district supt., School Board President Ted Pitts will give out the diplomas.

A reception for the graduates will be given by the mothers of junior-class students, and will be held in the school quad following commencement.

### Lo-Inyo Elementary Pupils Enjoy Class Day at Keoughs

Pupils of Lo-Inyo Elementary School eighth grade spent their class day at Keough's Hot Springs last week. The students took a picnic lunch, and spent the day swimming.

Mothers who drove carloads of students and accompanied them on the trip, which also included visiting the Mt. Whitney Fish Hatchery, were Mmes. Margie MacAlpine, Louise McElroy, Helen Gillis, Stella Bland, Brown, and Margaret Baker.

Donald Meyer, eighth grade teacher, also drove a car and spent the day with his students.

## 31 To Receive Diplomas At Lo-Inyo Grammar School

Thirty-one eighth graders will be graduated from Lo-Inyo elementary school in Lone Pine Thursday, June 10.

The exercises will be held in the Lone Pine high school auditorium at 7:45 p.m.

The program includes the processional by the band, Flag salute, led by Ronnie Hancock; welcoming address by Larry Gillis, a song by the members of the eighth grade and an address by Virginia Bland.

Dr. Oron Keeslar, of the county superintendent of schools office, will be the speaker of the evening.

Following his talk, the class will sing another song and diplomas will be awarded by William J. Bauer, district superintendent and Donald Drew, president of the board of school trustees.

Lynne Bonham will be the master of ceremonies for the exercises. Members of the class are:

Gail Behling, Virginia Bland, Lynne Bonham, Linda Carrasco, Melinda James, Marilyn Jones, Jackie McElroy, Crystal Mills, Rosaline Montes, Judy Ojeda, Marjorie Rysse, Rosemary Warner, Gail Witter, Peggy Brown and Eunice Wilson.

Mike Baker, Tom Clemmens,

Mosey Gamboa, Terry Garner, Larry Gillis, John Hancock, James Huerta, Ted Humphrey, Rocky Kennedy, Allen Lembek, Fred Lowe, Jim Marks, Rudy Mojarrero, Dick Peters, Charles Stanley and Ronald Hancock.

### Foster's Freeze Store To Have Official Opening Friday

A new Bishop business will officially open Friday, June 11.

It's the Foster's Freeze store, located at 768 North Main St., which is owned and operated by Ralph and Conrad Morris, well-known in Inyo-Mono.

The Foster's Freeze store actually opened several weeks ago and has been doing a fine business, especially during the warm weather. But the official "grand opening" has been postponed till this weekend.

"We hope everyone will come in and get acquainted," "Chick" Morris said. "We have our 'two-for-one' day on Friday and we invite the people of Inyo-Mono to stop by."

## A LETTER TO THE CITIZENS OF BISHOP!

Ford B. Ford is being replaced as postmaster of Bishop. This message is intended for those of you who believe that competency in public office should come before political favoritism.

### HERE ARE THE FACTS:

1. Prior to Mr. Ford's appointment as postmaster it was not unusual to find three families being served by one box, and general delivery lines were many times 200 feet long. Today, as a result of Mr. Ford's efforts we have city delivery, the service of a highway postoffice and a general improvement in rural service.

2. On the last postoffice inspection Mr. Ford received a 97% efficiency rating; the highest rating our postoffice has ever received.

3. Mr. Ford received a score of 104.9 on his examination for the office of postmaster, nearly 20 points above his nearest competitor. The person who placed third in the qualifying examination is now proposed to replace Mr. Ford.

4. Six weeks before it was brought to the attention of Mr. Ford, the County Republican Central Committee, the group responsible for advising Congress of their recommendation for postmaster, sent in the name of the person who was third place on the qualifying examination.

Folks, this is not a political issue. It is a known fact that Mr. Ford has received the support of both major parties. A petition to retain him containing approximately 900 names, both Democratic and Republican, was sent to Washington in the Spring of 1952, along with telegrams and letters. It is highly probable that had Mr. Ford changed his political affiliation as requested, he would have been retained as postmaster.

We cannot believe that fair-minded citizens of Bishop will allow such an injustice to take place. Seldom is a community favored with the services of a man of such unusual industry, integrity, and devotion to duty. We hope you will communicate immediately with your senators: William F. Knowland or Thomas H. Kuchel.

Respectfully,

Bipartisan committee for the re-tention of Ford B. Ford as postmaster of Bishop.

Harry V. Fierstine Mrs. Adelbert Fausett Thomas W. Hughes  
Herbert London Marie Wilcoxson John T. Leggett  
Nick W. Mandich Earl Kieffer
